What does **power** mean here?

- **A.** the right or ability to decide what happens
- **B.** the speed at which something moves
- **C.** electricity in a wire
- **D.** something divided three ways

Q12 RI.3.4

The delegates wanted a **democracy**. The people, not a king, would decide.

What does **democracy** mean here?

- **A.** the people, not a king, deciding
- **B.** government by one person who was born to rule
- **C.** a government with no leaders
- **D.** government by the people, who vote to make choices

Q13 RI.3.4

The idea was **revolutionary**. A country with no king had never worked before.

What does **revolutionary** mean here?

- **A.** a country with no king
- **B.** old and used for hundreds of years
- **C.** causing a huge change in the way things are done
- **D.** small and easy to miss

Q14 RI.3.4

At first the states were a loose **confederation**. Each did mostly what it wanted.

What does **confederation** mean here?

- **A.** a group of states or groups joined together for a shared purpose
- **B.** a war between two states
- **C.** a single state that stands alone
- **D.** states doing what they wanted

Q15 RI.3.4

The Constitution would **join** the states into one nation. United, not separate.

What does **join** mean here?

- **A.** states united as one nation
- **B.** to put things together so they become one
- **C.** to line things up in a row
- **D.** to cut something into pieces

Q16 RI.3.4

The delegates chose a new **form** of government. Three branches, not one king.

What does **form** mean here?

- **A.** the weight of something
- **B.** the color of something
- **C.** three branches, not one king
- **D.** the way something is put together or arranged

Q17 RI.3.4
