New integrated grammar lessons

Grammar lessons use content from reading and writing lessons to further support knowledge building on the module topic.

TARGET Grammar

SENTENCE PARTS
Explain to children that a sentence is a group of words that expresses a complete thought or idea. Say: A sentence has two parts that make the sentence complete: the subject and the predicate. The subject tells who or what the sentence is about. The predicate tells what someone or something does. Let's identify the subject and predicate in these sentences about giraffes.

180 Model identifying the subject and predicate for children, pointing them out as you discuss. Say: The sentence is *The giraffe stands tall*. The *giraffe* is the subject because those words tell what the sentence is about. The phrase *stands tall* is the predicate because those words tell what the giraffe does.

180 Work with children to identify the subject and predicate with you in this sentence: *The giraffe sleeps*. Together, name the subject (*The giraffe*) and the predicate (*sleeps*), and discuss how you know.

180 Have children identify the subject and predicate in the next sentence and discuss how they know: *The giraffe eats leaves*. (Subject: *The giraffe*; predicate: *eats leaves*) Repeat with the remaining sentences.

Teacher's Guide Grade 1, Module 3, Lesson 1

You'll also notice:

- All new grammar lessons are integrated with daily writing lessons.
- Grammar scope and sequence remains the same.
- Additional small-group grammar support is listed on weekly small-group planning pages.

Integrated Writing

All writing lessons are now part of the core Teacher's Guide with *HMH Into Reading*. There is no separate Writing Workshop Teacher's Guide.

WRITING AND GRAMMAR

180 **Introducing the Focal Text**

180 **Discuss the Focus Statement**

180 **Connect to the Topic**

Teacher's Guide Grade 1, Module 3, Lesson 1

The following enhancements were also made:

- "Connect to Text" box in the Teacher's Guide suggests all module texts, including myBook selections and Focal Text, be used for inspiration for writing.
- Performance Task and Module Writing are the same (or closely aligned) writing form. For example, if students are learning about opinion writing in the module, the Performance Task genre will be opinion.
- Pre-populated graphic organizers and student writing examples are provided to support teachers.

3 · Integrated Grammar / Writing

별도의 Writing Workshop 지도서 없이, 모든 쓰기·문법 수업이 코어 Teacher's Guide에 통합됐습니다. 문법 예문은 읽기·쓰기 수업의 콘텐츠를 그대로 사용해 모듈 주제 지식을 강화하고, 미리 채워진 그래픽 오거나이저와 학생 예시 글이 제공됩니다.
