NAME _____ DATE _____

Worksheet A — Vocabulary

Module 7 · The Big Outdoors · Grade 1

CCSS L.1.4 · L.1.5 · L.1.6

NAME _____ DATE _____

Directions. Read each question. Fill in the circle next to the best answer.

BIG IDEA WORDS

Q1 L.1.5

cycle

What does **cycle** mean?

- ○ **A.** A line that only goes one way and stops
- ○ **B.** One thing that happens just once
- ○ **C.** A group of events that happen again in the same order
- ○ **D.** A list of events that each happen one time and then stop

Q2 L.1.5

liquid

Which sentence shows the meaning of **liquid**?

- ○ **A.** The rock is hard and big.
- ○ **B.** The block sits on the table.
- ○ **C.** The dust rises in the air.
- ○ **D.** Water is a liquid you can pour into a cup.

Q3 L.1.5

evaporation

Evaporation is when —

- ○ **A.** rain falls from the sky.
- ○ **B.** ice melts into water.
- ○ **C.** a liquid turns into a gas.
- ○ **D.** water freezes into hard ice.

Q4 L.1.5

mission

Sam and Dave say, "We are on a **mission**." A **mission** is —

- A. a quick game you play for fun
- B. an important job you set out to do
- C. a rest when you are done working
- D. a wish you keep to yourself

Q5 L.1.4

spectacular

"That was pretty **spectacular**!" The word **spectacular** means —

- A. just okay, nothing special
- B. plain and boring
- C. very amazing or special
- D. small and quiet

Q6 L.1.4

break

"They took a **break**." Here, **break** means —

- A. dropped a glass on the floor
- B. a short rest from working
- C. a kind of bread
- D. the start of a race

Q7 L.1.5

problem

Dave says, "Maybe the **problem** is that we are digging straight down." A **problem** is —

- A. something hard that you need to solve
- B. an easy job that is already done
- C. a plan that always works well
- D. an answer to a question

Q8 L.1.5

direction

"Let's dig in another **direction**." A **direction** is —

- A. the way you move or go
- B. how far away a place is
- C. how fast you are going
- D. the place where you stop

Q9 L.1.4

landed

"They **landed** in the soft dirt." The word **landed** means —

- A. jumped up into the air
- B. came down and stopped on a place
- C. floated up and kept going
- D. ran fast across the grass

POWER WORDS · DESERTS

Q10 L.1.5

dunes

"Sandy deserts may have tall **dunes**." **Dunes** are —

- A. flat paths through the sand
- B. rocks buried under the sand
- C. deep holes dug in the sand
- D. hills made of sand

Q11 L.1.5

shrubs

What are **shrubs**?

- A. tall trees with thick trunks
- B. soft green grass in a field
- C. tall flowers on long stems
- D. small bushes that grow low to the ground

Q12 L.1.5

spines

"Sharp **spines** keep many animals away." **Spines** on a cactus are —

- **A.** soft green leaves
- **B.** small pink flowers
- **C.** sweet pieces of fruit
- **D.** sharp points like little needles

Q13 L.1.4

rest

"Jackrabbits **rest** in shade." The word **rest** here means —

- **A.** the part you have left over
- **B.** jump high and run fast
- **C.** sit quietly without moving much
- **D.** eat their favorite food

POWER WORDS · HANDMADE

Q14 L.1.5

edges

"Glue the **edges** together." The **edges** of paper are —

- **A.** the outside lines or sides of the paper
- **B.** the middle of the paper
- **C.** the flat front of the paper
- **D.** a small hole in the paper

Q15 L.1.4

trace

"Use a plate to **trace** a circle on paper." When you **trace**, you —

- **A.** color the whole inside of it
- **B.** draw a line around the shape of something
- **C.** cut it out with scissors
- **D.** fold it neatly in half

Q16 L.1.5

popular

"It is one of the most **popular** national parks." **Popular** means —

- A. empty, with hardly anyone there
- B. liked or visited by many people
- C. new and just opened
- D. hard to get to

Q17 L.1.5

fossils

Fossils are —

- A. living plants that grow on the rocks today
- B. bright new stones people paint
- C. piles of fresh sand by the river
- D. signs of plants or animals from long ago, found in rock

Q18 L.1.5

rim

"You can ride a bus around the **rim**." The **rim** is —

- A. the deep bottom of the canyon
- B. the middle wall of the canyon
- C. a narrow path down inside the canyon
- D. the top edge that goes around the canyon

Q19 L.1.4

hike

"You can **hike** down into the canyon." To **hike** means to —

- A. walk a long way outside
- B. sleep in a tent
- C. drive a fast car
- D. swim in cold water

Q20 L.1.6

affect

"Water can **affect** the rocks." The word **affect** means —

- ○ **A.** keep something exactly the same
- ○ **B.** look at something for a while
- ○ **C.** change something or make something different
- ○ **D.** move away from something

Worksheet B — Reading Comprehension

Module 7 · The Big Outdoors · Grade 1

CCSS RL.1 / RI.1 — .1, .2, .3, .5, .6, .8, .9

NAME _____ DATE _____

Directions. Use what you remember from each story to answer the questions. Fill in the circle next to the best answer.

Story 1 · Sam & Dave Dig a Hole

FANTASY · 8 QUESTIONS

Q1 RL.1.1

Who are the two friends who dig the hole?

- ○ **A.** Mac and Jon
- ○ **B.** Sam and Pam
- ○ **C.** Dan and Nan
- ○ **D.** Sam and Dave

Q2 RL.1.1

According to the story, what do Sam and Dave bring with them?

- ○ **A.** Animal cookies and chocolate milk
- ○ **B.** A map and a flashlight
- ○ **C.** A camera and a backpack
- ○ **D.** A book and a pencil

Q3 RL.1.1

When Dave says, "We are on a **mission**," what is their mission?

- ○ **A.** To climb a tall mountain.
- ○ **B.** To find a lost dog.
- ○ **C.** To not stop digging until they find something spectacular.
- ○ **D.** To sell the cookies at school.

Q4 RL.1.3

When Sam and Dave can't find anything, what do they decide to try?

- **A.** Going home for lunch.
- **B.** Digging in another direction and splitting up.
- **C.** Asking their grandfather for help.
- **D.** Building a big sandcastle instead.

Q5 RL.1.3

What happens at the end of the story, after Sam and Dave fall asleep?

- **A.** They wake up next to a big diamond.
- **B.** They fall down, down, down and land in soft dirt.
- **C.** They climb to the top of a mountain.
- **D.** They get lost in the woods.

Q6 RL.1.5

"Sam & Dave Dig a Hole" is a story where two friends dig and fall through the ground. What kind of story is this?

- **A.** A real story with photos of real kids.
- **B.** A list of facts about how to dig holes.
- **C.** A made-up fantasy story with a fun, surprising ending.
- **D.** A poem with rhyming words.

Q7 RL.1.2

What is the main message of "Sam & Dave Dig a Hole"?

- **A.** You should always dig deep holes in your own yard.
- **B.** Bringing chocolate milk and cookies is the best part of a day.
- **C.** A good friend will always know exactly the right way to go.
- **D.** An adventure with a friend can be spectacular, even when you don't find what you planned.

Q8 RL.1.3

When Sam says "That was pretty **spectacular**" at the end, what does he think is spectacular?

- ○ **A.** The animal cookies he saved.
- ○ **B.** The kerchief from his grandfather.
- ○ **C.** The way home for chocolate milk.
- ○ **D.** The whole adventure of digging and falling with a friend.

Story 2 · Deserts

INFORMATIONAL TEXT · 8 QUESTIONS

Q9 RI.1.1

According to the text, what is the BIGGEST hot desert?

- ○ **A.** The Sahara
- ○ **B.** The Sonoran
- ○ **C.** The Grand Canyon
- ○ **D.** The Arctic

Q10 RI.1.1

According to the text, hot deserts are mostly —

- ○ **A.** dry, with very little rain.
- ○ **B.** wet, with lots of rivers.
- ○ **C.** covered in deep snow.
- ○ **D.** full of tall green trees.

Q11 RI.1.3

How do **shrubs** and wildflowers get water in the desert?

- ○ **A.** They have long roots that reach water far below the ground.
- ○ **B.** They drink from the river every day.
- ○ **C.** They eat snow that falls in winter.
- ○ **D.** They get water from foxes and snakes.

Q12 RI.1.3

Why do cacti have sharp **spines**?

- **A.** The spines help the cactus walk.
- **B.** The spines keep many animals away.
- **C.** The spines catch rain water.
- **D.** The spines help the cactus sing.

Q13 RI.1.3

According to the text, when do foxes come out in the desert?

- **A.** Early in the morning, before the sun.
- **B.** Only when it rains hard.
- **C.** At night, out of their dens.
- **D.** Only in the winter season.

Q14 RI.1.2

What is the MAIN IDEA of "Deserts"?

- **A.** Deserts are bad places where nothing can live.
- **B.** Deserts are full of cold snow and big trees.
- **C.** Deserts are dry, but plants and animals adapt to live there.
- **D.** Deserts are the only place where people can live.

Q15 RI.1.5

"Deserts" tells true facts about real places, animals, and plants. What kind of book is it?

- **A.** A made-up fairy tale about magic deserts.
- **B.** An informational text that teaches real facts.
- **C.** A song with rhyming words.
- **D.** A long poem with no facts.

Q16 RI.1.6

Why did the author write "Deserts"?

- ○ **A.** To make readers laugh at silly desert jokes.
- ○ **B.** To list rules for a sports game.
- ○ **C.** To tell a fairy tale about dunes.
- ○ **D.** To teach readers about how plants and animals live in hot, dry deserts.

Story 3 · Handmade

PROCEDURAL TEXT · 8 QUESTIONS

Q17 RI.1.1

According to "Handmade", which three projects do you make in this book?

- ○ **A.** Cookies, a kite, and a house
- ○ **B.** A boat, a hat, and a plane
- ○ **C.** Sand art, a robot, and a doll
- ○ **D.** Landscape with an Animal, Flying Fish, and Paper Birds

Q18 RI.1.3

According to the steps, what do you draw FIRST when making a Landscape with an Animal?

- ○ **A.** A small dot in the corner.
- ○ **B.** A square box with a roof.
- ○ **C.** A curved line on thick paper, then cut it.
- ○ **D.** A long straight line across the page.

Q19 RI.1.3

When making the Flying Fish, what do you do with the **edges**?

- ○ **A.** Cut them off and throw them away.
- ○ **B.** Color them only with a black pen.
- ○ **C.** Glue the edges so the body holds together.
- ○ **D.** Wash them with water.

Q20 RI.1.5

"Handmade" is written as steps to follow in order. What kind of text is this?

- **A.** A poem about animals.
- **B.** A procedural text that shows how to make something step by step.
- **C.** A made-up fairy tale.
- **D.** A song book.

Q21 RI.1.1

For the Paper Birds, what do you use to make a round shape?

- **A.** A plate, to trace a circle.
- **B.** A book, to draw a square.
- **C.** A spoon, to make a long line.
- **D.** A cup, to cut a star.

Q22 RI.1.6

Why did the author write "Handmade"?

- **A.** To tell a long fairy tale.
- **B.** To list facts about wild animals.
- **C.** To sing about colors.
- **D.** To show readers, step by step, how to make art with paper.

Q23 RI.1.2

What is the BIG IDEA of "Handmade"?

- **A.** Only big kids can make art.
- **B.** With simple paper and steps, you can make beautiful things by hand.
- **C.** Paper birds are real birds.
- **D.** Art only looks good when a teacher does it.

Q24 RI.1.8

The author says you can **trace** a plate to make a circle. Why does the book give this idea?

- ○ **A.** To show that simple things at home can help you make art.
- ○ **B.** To prove that plates are hard to find.
- ○ **C.** To say plates are the only round things in the world.
- ○ **D.** To make readers buy new tools.

Story 4 · Grand Canyon

INFORMATIONAL TEXT · 8 QUESTIONS

Q25 RI.1.1

According to the text, where is the Grand Canyon?

- ○ **A.** In Korea
- ○ **B.** In Arizona
- ○ **C.** In the Sahara
- ○ **D.** In a desert called Sonoran

Q26 RI.1.1

According to the text, what river runs through the Grand Canyon?

- ○ **A.** The Sahara River
- ○ **B.** The Colorado River
- ○ **C.** The Sonoran River
- ○ **D.** The Arizona River

Q27 RI.1.3

According to the text, how did the canyon walls get there?

- ○ **A.** People built them with big tools.
- ○ **B.** The Colorado River made the canyon walls over time.
- ○ **C.** Wild animals dug them with their feet.
- ○ **D.** The wind moved big rocks into place.

Q28 RI.1.1

According to the text, what is the California condor?

- **A.** The biggest bird in North America, an endangered animal at the Grand Canyon.
- **B.** A small fish that lives in the river.
- **C.** A flower that grows on the rim.
- **D.** A new kind of cactus.

Q29 RI.1.1

According to the text, what year did the Grand Canyon become a national park?

- **A.** 2019
- **B.** 1500
- **C.** 1819
- **D.** 1919

Q30 RI.1.2

What is the MAIN IDEA of "Grand Canyon"?

- **A.** The Grand Canyon is a popular national park where rocks, plants, animals, and a river show how nature changes.
- **B.** The Grand Canyon is small and easy to walk across.
- **C.** The Grand Canyon has no animals or plants.
- **D.** The Grand Canyon is in a different country every year.

Q31 RI.1.8

The book says, "Some of the rocks are millions of years old." Which detail BEST supports this idea?

- **A.** The book says condors are the biggest birds in North America.
- **B.** The book says people can find fossils of plants and animals in the rock.
- **C.** The book says you can ride a bus around the rim.
- **D.** The book says it can get very hot in the canyon.

Q32 RI.1.9

"Grand Canyon" and "Deserts" are ALIKE in which way?

- A. Both are informational texts about hot, dry places in nature with plants and animals that adapt.
- B. Both are made-up fairy tales with magic.
- C. Both are step-by-step procedural texts.
- D. Both are songs with rhyming words.

Worksheet C — IB Critical Thinking

Module 7 · The Big Outdoors · Grade 1

IB Concepts · DOK 2 – 4

NAME _____ DATE _____

Directions. Use what you learned from each story to think more deeply. Each question helps you grow as an IB learner.

Q1 Perspective DOK 2

In "Sam & Dave Dig a Hole," Sam says, "That was pretty **spectacular**." What does **spectacular** mean to Sam and Dave? How do they feel about their adventure?

FEELING WEB

Step 1 · Draw Sam's and Dave's faces. Show how they feel at the end.

DRAW HERE

happy tired surprised proud excited amazed

Step 2 · Circle the feelings that match Sam and Dave.

Step 3 · Tell what "spectacular" means to them, and why.

Q2 Causation DOK 3

In "Grand Canyon," how did the Colorado River make the canyon walls? Use the idea of time to explain.

CAUSE & EFFECT

CAUSE · WHAT THE RIVER DOES

EFFECT · WHAT HAPPENS TO THE ROCKS

Now explain in your own words how time matters.

Q3 Connection DOK 2

In "Deserts" and "Grand Canyon," nature is hot and dry, but each place is different. What is the SAME and what is DIFFERENT?

COMPARE

DESERTS	GRAND CANYON

What is the SAME about both places?

Q4 Responsibility DOK 3

In "Handmade," people make beautiful things from paper. List 4 ways we can use paper carefully and recycle. Why is this important for nature?

IDEA WEB

Recycle

WAY 1

WAY 2

WAY 3

WAY 4

Why is this important for nature?

Q5 Reflection DOK 4

Essential Question: How do things in nature change? Use ideas from TWO stories you read.

TWO-STORY SYNTHESIS

STORY 1 · TITLE

How does this story show change in nature?

STORY 2 · TITLE

How does this story show change in nature?

MY BIG IDEA

Worksheet D — MAP Practice

Module 7 · The Big Outdoors · Grade 1

MAP RIT 153 → 172 · 20 Independent Passages

NAME _____ DATE _____

Directions. Read each short passage. Then answer the question that follows.

Q1 RIT 153 | Lexile BR | AR 0.8 | Key Detail

It rained all day. The street had big puddles. Soon the sun came out. The puddles got smaller and smaller. By night, they were gone.

What happened to the puddles?

- ○ **A.** They dried up in the sun.
- ○ **B.** A truck took them away.
- ○ **C.** They turned into snow.
- ○ **D.** They got bigger and bigger.

Q2 RIT 154 | Lexile BR | AR 0.9 | Inference

Tom dug in the sand at the beach. He dug a deep hole. He found a smooth white shell. He put the shell in his bucket. Tom smiled.

How does Tom feel about what he found?

- ○ **A.** Tired
- ○ **B.** Happy
- ○ **C.** Angry
- ○ **D.** Scared

Q3 RIT 155 | Lexile BR | AR 1.0 | Key Detail

A cactus is a desert plant. It has sharp spines. The spines keep animals away. A cactus can store water inside. This helps it live in the dry desert.

What do the sharp spines on a cactus do?

- **A.** They keep animals away.
- **B.** They make pretty flowers.
- **C.** They help the cactus walk.
- **D.** They sing in the wind.

Q4 RIT 156 | Lexile BR | AR 1.0 | Vocabulary

The sun shines on the wet grass. After a while, the grass is dry. The water from the grass goes up into the air. This is called evaporation.

What does the word "evaporation" mean in this passage?

- **A.** Rain falling from the sky.
- **B.** Water freezing into ice.
- **C.** Water going up into the air as gas.
- **D.** The sun making a shadow.

Q5 RIT 157 | Lexile BR | AR 1.1 | Cause & Effect

Mia poured water on a small pile of sand. The water made a little path. The path got deeper as more water flowed. The sand on each side rose up like walls.

What made the walls of sand?

- **A.** Mia's hands pushed the sand.
- **B.** The wind blew very hard.
- **C.** A bug climbed in the sand.
- **D.** The water made a path and pushed sand to the sides.

Q6 RIT 158 Lexile 10L AR 1.1 Main Idea

Trees lose their leaves in fall. New leaves grow in spring. Flowers bloom in summer. Snow falls in winter. The seasons change all year.

What is the main idea of this passage?

- A. Trees only grow in spring.
- B. Nature changes through the seasons of the year.
- C. Snow is the best part of nature.
- D. Flowers do not bloom.

Q7 RIT 159 Lexile 20L AR 1.1 Cause & Effect

Lin saw a small seed in the dirt. She gave it water every day. The sun warmed it. Soon a green leaf came out. Then more leaves grew. Lin's seed had become a plant.

Why did the seed grow into a plant?

- A. Lin sang it a song.
- B. The wind blew it away.
- C. It got water and sun every day.
- D. The dirt was too hard.

Q8 RIT 160 Lexile 25L AR 1.1 Vocabulary

Sand hills can grow tall in a desert. The wind moves the sand. The hills change shape day by day. People call these tall hills of sand "dunes."

What does the word "dunes" mean in this passage?

- A. Holes in the rock.
- B. Long, flat lakes.
- C. Small green plants.
- D. Tall hills of sand.

Q9 RIT 161 | Lexile 25L | AR 1.1 | Inference

Mom says rocks can be old. Some rocks are millions of years old. Inside some rocks, you can see the shape of an old plant or animal. We call these shapes fossils.

Why is finding a fossil exciting?

- ○ **A.** Fossils are made of gold.
- ○ **B.** Fossils give children new toys.
- ○ **C.** A fossil shows life from a very long time ago.
- ○ **D.** Fossils float in the air.

Q10 RIT 162 | Lexile 40L | AR 1.2 | Key Detail

A river flows down a hill. Over many years, it cuts a path through the rock. The path gets deeper and deeper. After a long, long time, the path becomes a deep canyon.

What makes a canyon deeper over time?

- ○ **A.** The river cutting through the rock for many years.
- ○ **B.** Workers digging holes with shovels.
- ○ **C.** Wild animals moving the rocks.
- ○ **D.** Rain washing away the trees.

Q11 RIT 163 | Lexile 55L | AR 1.2 | Inference

A jackrabbit lives in the desert. It rests in shade in the day. At night, it comes out to eat. The jackrabbit gets water from the plants it eats.

Why does the jackrabbit rest in the shade during the day?

- ○ **A.** Because it likes to read.
- ○ **B.** Because it is afraid of plants.
- ○ **C.** Because shade is full of rain.
- ○ **D.** Because the sun is too hot in the day.

Q12 RIT 164 | Lexile 70L | AR 1.3 | Main Idea

Plants and animals adapt to the desert. Cacti store water inside. Snakes slide on the sand. Foxes come out at night. Each one finds its own way to live in a hot, dry place.

What is the main idea of this passage?

- A. Plants and animals find their own ways to live in the desert.
- B. Foxes are the only desert animal.
- C. Cacti can sing in the wind.
- D. Snakes hate sand.

Q13 RIT 165 | Lexile 80L | AR 1.3 | Cause & Effect

Sam tried to dig a hole to the bottom of the yard. He dug for one hour. The hole was still small. Sam took a break. He tried again with a bigger shovel. Now the hole grew fast.

Why did the hole grow faster the second time?

- A. The dirt was wet.
- B. Sam was sleepier.
- C. Sam used a bigger shovel.
- D. A friend said no.

Q14 RIT 166 | Lexile 80L | AR 1.3 | Vocabulary

A drop of water on a leaf gets warm in the sun. Slowly, the drop gets smaller. The water turns into a kind of gas in the air. This gas is called vapor.

In this passage, what does "vapor" mean?

- A. A solid piece of ice.
- B. A leaf that fell from a tree.
- C. A small bug on a plant.
- D. A gas that water turns into.

Q15 RIT 167 | Lexile 100L | AR 1.4 | Key Detail

Many people visit national parks. They walk on trails. They watch wild animals. They take photos of plants and rocks. Park rangers help keep nature safe and clean.

According to the passage, what do park rangers do?

- **A.** They sell cookies to the visitors.
- **B.** They drive the buses to school.
- **C.** They paint the rocks bright colors.
- **D.** They help keep nature safe and clean.

Q16 RIT 168 | Lexile 120L | AR 1.5 | Inference

Many old paper boxes sat in Ana's house. Ana cut them, traced shapes with a cup, and made paper birds. She glued the edges so the wings would hold. Ana smiled. Old boxes were now art.

What can we tell about Ana from this passage?

- **A.** She does not like art.
- **B.** She breaks her paper birds.
- **C.** She is creative and likes to recycle paper.
- **D.** She wants to throw all the boxes away.

Q17 RIT 169 | Lexile 140L | AR 1.5 | Main Idea

A river starts as a small stream high on a mountain. As more water joins, the stream grows bigger. Over many years, the river cuts new paths through hills and rock. Big lakes and canyons can form along the way.

What is the main idea of this passage?

- **A.** Mountains make people happy.
- **B.** Streams never become rivers.
- **C.** Rivers slowly change the land they flow through.
- **D.** Lakes can fly through the air.

Q18 RIT 170 | Lexile 150L | AR 1.6 | Cause & Effect

Wind blows over the desert sand for days and weeks. The sand moves a little each time. Slowly, the sand piles up into tall hills, called dunes. If the wind changes, the dunes change shape too.

What causes the dunes to change shape?

- **A.** The dunes get washed by the rain.
- **B.** The wind moves the sand around.
- **C.** Animals dig in the sand.
- **D.** People use big trucks to move sand.

Q19 RIT 171 | Lexile 150L | AR 1.6 | Vocabulary

When sun, water, and time work together, the land slowly changes. Hills can grow shorter. Rocks can split. Soil can blow away. We say these changes affect the land.

In this passage, "affect" means —

- **A.** change something or make it different.
- **B.** count to one hundred.
- **C.** sing a happy song.
- **D.** hide under a rock.

Q20 RIT 172 | Lexile 180L | AR 1.7 | Main Idea

Nature changes in many ways. Some changes are fast, like a storm or a flood. Some changes are slow, like a river that cuts a canyon over millions of years. Both kinds of change shape our world.

What is the main idea of this passage?

- **A.** Storms only happen at night.
- **B.** Rivers do not really change land.
- **C.** Nature changes in fast ways and slow ways, and both shape our world.
- **D.** Floods are the best part of weather.
