Answer Distribution (79 Multiple-Choice Items)

Verified counts across Worksheets A (27), B (32), and D (20) combined (Worksheet C is open-response IB, not counted).

A · 19 · B · 20 · C · 21 · D · 19

Balance verified across all 79 multiple-choice items (A 19 / B 20 / C 21 / D 19) — well spread, no answer letter dominates. Correct-answer positions and meanings are preserved verbatim from the Source of Truth; only the wrong-answer choices were sharpened into synonym / antonym / same-part-of-speech distractors so each item tests real word and text knowledge. All 27 Power Words and Big Idea Words from the module are covered in story-order on Worksheet A.

Voca Trap Items (Worksheet A)

7 of 27 ≈ 26% — meets G2 trap target.

- Q3 **disagreement** — antonym-distractor "agree on every plan" tempts wrong-direction
- Q7 **musical** — polysemy (a stage musical / a person who is musical vs. something that makes music)
- Q10 **greedy** — sound-trap with "green" plus moral-tone distractor
- Q12 **blamed** — sound-trap with "flame" / "blamed flame match"
- Q15 **practice** — polysemy (doctor's practice / a group's usual custom vs. do something over and over to improve)
- Q17 **skill** — sound-trap with "skull" plus near-homophone "skill"-"sill"
- Q26 **excuses** — polysemy (excuse me / school excuse note vs. reasons given to avoid doing)
- Q3, Q7, Q10, Q12, Q15, Q17, Q26 — total 7 trap-tagged items.

MAP Mini-Passage Word Counts (Worksheet D)

- Passage 1 · The Last Slice of Pizza · **110 words** · Lexile 250–290L · RIT 180–189

All four passages within target band 80–150 words; RIT 180→200; Lexile 250L–500L. All four connect to the module Big Idea Words compromise / decision / disagreement.

Worksheet B — Reading Comprehension · Answer Key

32 items · CCSS RL.2.1–2.7 / RI.2.1–2.8

Story 1 · Big Red Lollipop

REALISTIC FICTION · RUKHSANA KHAN · 8 QUESTIONS

Q1 RL.2.1

C

Rubina narrates in first person. *"I'm so excited I run all the way home..." (OCR 465).*

Q2 RL.2.3

D

"Well that's not fair. You call up your friend and ask if you can bring Sana, or else you can't go." (OCR 490–491).

Q3 RL.2.3

D

"All that's left of my lollipop is a triangle stuck to a stick." (OCR 715–717).

Q4 RL.2.3

D

Rubina throws the stick across the room — feels angry and unfairly treated. *(OCR 803–804, 822–824).*

Q5 RL.2.3

D

Sana wants to take Maryam — the cycle was about to repeat. *(SoT pg-13 + OCR ~1018).*

Q6 RL.2.3

C

"Don't make Sana take Maryam to the party." (SoT pg-13 visual; OCR ~1018). Rubina breaks the chain.

Q7 RL.2.2 TRAP

D

Choosing kindness over revenge stops a chain of hurt feelings between sisters. *"Don't make Sana take Maryam to the party." (SoT pg-13 visual; OCR ~1018).* Traps: A overreads the party scene (Rubina actually breaks the cycle FOR Sana — not against sharing); B mistakes Ami's rule (the lesson is Rubina's choice, not Ami's rightness); C names a single event, not the lesson.

Q8 RL.2.6

C

Rubina narrates in first person ("I"). *"I'm so excited I run all the way home..." (OCR 465); "I beg and plead, but Ami won't listen. I have no choice." (OCR 581).*

Story 2 · Working with Others

INFORMATIONAL · ROBIN NELSON · 8 QUESTIONS

Q9 RI.2.2

B

Main topic = solving problems with others. *(OCR 1378–1387).*

Q10 RI.2.1 TRAP

C

"You work and play with other people every day. Most of the time, you get along well, but sometimes..." (OCR 1378–1383). Traps A/B/D each name ONE example from OCR 1378–1384 (mean name / argue with a friend / takes one of your toys) and add "Only" — the text says conflicts happen across daily work and play, not only in one situation.

Q11 RI.2.8

B

"Yelling, screaming, and hitting do not solve conflicts. They hurt people and make problems worse." (OCR 1485–1488). The reason ("they hurt people and make problems worse") supports the author's point that these actions do not work. Traps: A reverses the point (the text says they make problems worse, not better); C borrows "calm down" from the walk-away passage (OCR 1490–1492), not from yelling; D names a "fight" but the text never says yelling wins anything.

Q12 RI.2.1 TRAP

A

"Maybe someone takes one of your toys..." (OCR 1378–1384). Traps confuse a conflict (problem) with a response: B is a Dealing-with-Anger tip (OCR ~1701), C is a solution step from p.235 (OCR 1591–1593), D names the Big Idea Word "compromise" — also a solution, not a conflict.

Q13 RI.2.3

D

Power Words "respectful" + "practice" anchor this. The text uses "calm" and "peacefully" as Context Clue words (SoT).

Q14 RI.2.5

D

Informational structure — problem + ways to solve. Genre = Informational Text (SoT genre line 25, 1292–1293).

Q15 RI.2.6

C

Author's purpose = teach kind ways to handle conflict. Anchors EQ.

Q16 RI.2.3 TRAP

A

The text links respectful words with careful listening as connected steps. *"Use respectful words. Don't..." (OCR 1579); "Ask someone to help who will listen..." (OCR 1592–1593); pg-45 steps "Listen and have an open mind. Be respectful of feelings." (SoT line 360).* Each trap pairs ONE real text step with a contradicting second step: B (apologize / walk away without listening — opposite of "listen"), C (deep breaths / blame — text says yelling and blaming "do not solve conflicts," OCR 1485–1488), D (ask an adult / only one side speaks — opposite of "Make sure everyone has a chance to speak," OCR 1582).

Story 3 · Gingerbread for Liberty!

BIOGRAPHY · MARA ROCKLIFF · 8 QUESTIONS

Q17 RI.2.1

A

Setting = Philadelphia and the colonies during the Revolutionary War. *(SoT setting note + OCR 2068, 2091, 2287, 2334).*

Q18 RI.2.3

B

The gingerbread baker (unnamed in text). *(SoT characters; baker historically Christopher Ludwick but NOT named in workbook).*

Q19 RI.2.3

A

"'To fight for my America!' he said. 'I was a soldier once.'" (OCR 2161–2162).

Q20 RI.2.3

B

"The baker rolled up his sleeves. 'No empty bellies here,' he told General Washington." (OCR 2281–2283).

Q21 RI.2.3

A

"These soldiers come from the land where I was born... Perhaps I can even persuade them to switch sides!" (OCR 2487–2490).

Q22 RI.2.3

B

Soldiers switch sides — the baker's kind words and food turn the tide. *(SoT lesson lines 2003–2004, 2487–2490, 2566–2570).*

Q23 RI.2.6 TRAP

A

Author's purpose = show a real hero who used kindness, not weapons. Anchors module EQ. *Genre = Biography (SoT line 215); "Perhaps I can even persuade them to switch sides!" (OCR 2487–2490).* Traps pull characters/objects from the real text but miss the purpose: B uses gingerbread but reframes it as a how-to recipe; C names Washington (a real character) but the text is about the baker, not battle plans; D names the king of England (real character) but the text never describes his training.

Q24 RI.2.8

C

The reasoning of the text — kind words ended a fight an army could not.

Story 4 · Pepita and the Bully

REALISTIC FICTION · OFELIA DUMAS LACHTMAN · 8 QUESTIONS

Q25 RL.2.1

B

Babette is the bully classmate. *(SoT characters + OCR 3074, 3079, 3308, 3312).*

Q26 RL.2.3

C

"'Pepita, yuck,' Babette said. 'That's not a name.'" (OCR 3074–3075).

Q27 RL.2.3

C

"Just don't fight with her. Bullies like fights." (OCR 4029–4030).

Q28 RL.2.3

A

Mrs. Green is the neighbor digging in her garden. *(SoT characters + OCR 3132, 3147).*

Q29 RL.2.3

B

"Pepita stood up. 'What do you like?' she asked." (OCR line 3463). Pepita shifts from defense to perspective-taking.

Q30 RL.2.3

C

Character arc: upset/hesitant → confident kindness. *(SoT lesson lines 3328, 3330, 3463, 3549).*

Q31 RL.2.2

B

Lesson: kindness + honest words can change the relationship with a bully.

Q32 RL.2.6

D

Third-person limited — what Pepita feels, sees, and decides.

Cross-Story Pattern. All four stories model a different path to working out disagreement: kindness over revenge (Big Red Lollipop), respectful listening (Working with Others), shared meal + persuasion (Gingerbread for Liberty!), honest words + perspective-taking (Pepita and the Bully). This is the core spine of the Essential Question.

Worksheet C — IB Critical Thinking · Answer Key

5 questions · PYP Key Concepts · DOK 2–4

Q1 Perspective DOK 2

In **"Big Red Lollipop,"** show Rubina's and Sana's points of view about the party.

MODEL ANSWER

Rubina: She is excited and feels grown up. The invitation is for HER, not her little sister. She feels it is unfair to bring Sana. She feels even worse when Sana eats the lollipop. **Sana:** She is little and she does not understand why she cannot come too. She just sees that Rubina has a party and a treat — she wants the same things. She does not mean to be cruel; she is just small. **Why both views matter:** When we see the disagreement from both sides, we can find a kinder answer — like Rubina later does for Sana and Maryam.

KEYWORDS (3)

excited / unfair | little / wants the same | both views = kindness

SCORING NOTES

- Full credit (3): both sides described with a feeling-word, plus a reason both views matter.
- Partial (2): both sides described but no reason given.
- Minimal (1): only one side described.

TEACHING STEPS

Step 1 · Open the question.

강사: *"Stand on Rubina's side — read her line about the invitation. Now stand on Sana's side — read her 'I wanna go too!' line. Whose voice is loudest in your head?"*

코멘트. 학생이 어느 한쪽에 감정 이입할 가능성이 큼. 양쪽 자리에서 한 줄씩 직접 읽어보게 한 뒤 시각 정보(표정, 말투)도 짚어 줄 것.

Step 2 · Two-column chart.

강사: *"In the left column write what Rubina feels and why. In the right column write what Sana feels and why. Both can be true at the same time."*

코멘트. 두 칸 비교표가 핵심 도구. 한쪽이 '맞고' 한쪽이 '틀린' 게 아니라는 점을 명시할 것.

Step 3 · Connect to EQ.

강사: *"Now look at both sides. How does seeing BOTH sides help people work out a disagreement?"*

코멘트. EQ로 연결: '입장을 바꿔보면' 합의(compromise)가 보인다는 흐름.

STUDENT PROMPTS

- "How does Rubina feel when Ami says Sana must come too?"
  엄마가 동생도 데려가라고 했을 때 루비나의 기분은?
- "Why does Sana want to come so badly?"
  사나는 왜 그렇게 가고 싶어 할까?
- "Can both sisters be right at the same time? How?"
  두 자매가 동시에 맞을 수 있을까?

DIFFERENTIATION

STRUGGLING Provide picture cards of two faces (excited / sad) and ask students to label each sister.

두 얼굴 카드를 주고 누구 표정인지 라벨링.

ADVANCED Ask: "Whose point of view is HARDER to see in the story? Why?"

어느 입장이 더 보기 힘든지 한 문장으로.

COMMON MISCONCEPTIONS

PITFALL Students may write "Sana is bad." Redirect: she is small, not evil.

사나가 '나쁜 애'라는 답이 가장 흔한 오류. 동생이 어려서 그렇다는 점으로 교정.

PITFALL Some will say "It is just about a lollipop." Redirect: the real issue is being heard.

사탕 그 자체가 아니라 '내 말이 들렸나'가 진짜 갈등임.

LEARNER PROFILE LINK

OPEN-MINDED Trying to see another sister's feelings is the core IB Open-minded behavior.

자매의 다른 감정을 봐주는 것이 IB Open-minded의 출발.

KOREAN BRIDGE

표현 "I see your side" → "네 입장이 이해돼."

초2 학생에게 가장 쓰기 좋은 한국어 다리. 가정에서도 쓰도록 안내.

Q2 Responsibility DOK 3

In **"Working with Others,"** what are four ways a person can take responsibility in a conflict?

MODEL ANSWER

(1) **Listen** to the other person — really hear what they feel. (2) Be **respectful** — use kind words, not mean ones, even if you are upset. (3) Don't **blame** the other person right away — first ask what happened. (4) **Practice** calm ways to talk it out, so it gets easier each time. **Hardest for me:** not blaming — because when I am hurt, my first feeling is "it's their fault." But the text says it is OK to feel angry; it is what we DO that matters.

KEYWORDS (3)

listen / respectful | don't blame | practice = gets easier

SCORING NOTES

- Full credit (3): 4 distinct ways named, plus reflection on which is hardest.
- Partial (2): 4 ways named, no reflection.
- Minimal (1): fewer than 3 ways.

TEACHING STEPS

Step 1 · Mine the text.

강사: *"Find the four Power Words on the chart in this story: blamed, argue, respectful, practice. Which two tell us what NOT to do? Which two tell us what TO do?"*

코멘트. 파워워드 4개를 '하지 말 것 / 할 것'으로 분류시키면 답이 자동으로 보임.

Step 2 · Web organizer.

강사: *"Write 'Working It Out' in the center of the web. Put one responsibility behavior in each branch."*

코멘트. 시각화: 가운데에 핵심, 네 가지 가지로 연결.

Step 3 · Self-reflection.

강사: *"Which one is hardest for YOU? Why? Be honest — that is how we grow."*

코멘트. 자기 반성 단계가 IB Responsibility의 핵심.

STUDENT PROMPTS

- "What does respectful mean in this text?"
  respectful은 본문에서 어떤 뜻?
- "Why is blaming people fast a bad idea?"
  바로 남 탓을 하면 왜 문제가 될까?
- "What is one thing you will practice this week?"
  이번 주에 한 가지 연습해 볼 행동은?

DIFFERENTIATION

STRUGGLING Provide a 4-item word bank (listen / respectful / don't blame / practice).

단어 은행 4개를 제공해 채우기로 시작.

ADVANCED Add a fifth branch and invent one extra responsibility behavior with text evidence.

다섯 번째 가지를 본인이 추가하고 본문 근거를 쓸 것.

COMMON MISCONCEPTIONS

PITFALL "Not feeling angry" — text says feeling angry is OK. Redirect to BEHAVIOR.

화난 감정 자체는 문제가 아님. 행동을 어떻게 할지가 책임의 영역.

PITFALL "Walk away forever" — text wants peaceful solving, not avoidance.

회피와 평화로운 해결을 혼동하지 않도록.

LEARNER PROFILE LINK

PRINCIPLED Acting fairly and with respect even when upset.

감정이 흔들려도 공정하고 존중하는 태도.

KOREAN BRIDGE

표현 "Let's slow down and listen" → "잠깐만, 먼저 들어볼게."

가정/학원에서 그대로 쓰는 한국어 표현 한 줄.

Q3 Causation DOK 3

In **"Gingerbread for Liberty!,"** show cause and effect — the baker's kind actions and the soldiers' response.

MODEL ANSWER

Cause: The baker rolls up his sleeves and feeds soldiers in Washington's camp. Then he walks across the lines to speak to the foreign soldiers in their own language — soldiers who came from the same land he was born in. He brings the smell of fresh gingerbread with him. **Effect:** The soldiers, who came to fight, switch sides instead. A battle that an army was ready for is solved with a meal and kind words. **What this shows:** Big problems are not only solved with bigger force. Sometimes a small kind act — a loaf of bread, a shared language — can do what an army cannot.

KEYWORDS (3)

kindness + bread | shared language | switch sides without a fight

SCORING NOTES

- Full credit (3): cause + effect + insight about kindness vs. force.
- Partial (2): cause + effect named, no insight.
- Minimal (1): only one side filled.

TEACHING STEPS

Step 1 · Cause/Effect chart.

강사: *"On the left, list what the baker DOES. On the right, list what HAPPENS because of it. Use the arrow."*

코멘트. 화살표는 시각적 신호. 행동→결과의 사슬을 그려보게 할 것.

Step 2 · Quote anchor.

강사: *"Read line by line: 'Perhaps I can persuade them to switch sides!' What word in this line is the KEY?"*

코멘트. 'persuade' 단어가 본문의 열쇠. 무력 대신 말이라는 점.

Step 3 · Real-world bridge.

강사: *"Can you think of a real time when one kind act stopped a fight you saw?"*

코멘트. 학생 본인의 경험으로 연결. 인과의 일반화.

STUDENT PROMPTS

- "Why did the soldiers listen to the baker?"
  군인들은 왜 베이커의 말을 들어주었을까?
- "What is the difference between an army and a meal?"
  군대와 식사가 다른 점은?
- "How is the baker like a hero, even without a weapon?"
  무기 없이도 영웅인 이유는?

DIFFERENTIATION

STRUGGLING Use a two-picture chart: gingerbread / soldiers walking away.

두 그림으로 시각적 인과 차트.

ADVANCED Compare with a different historical "kindness ends a war" story (Christmas Truce 1914 — read aloud).

1914 크리스마스 휴전 같은 다른 사례와 비교.

COMMON MISCONCEPTIONS

PITFALL "Gingerbread alone solved the war." Redirect: the kind WORDS + shared land + food together.

진저브레드만으로 전쟁이 끝난 게 아님. 말+공감+음식의 합.

PITFALL "The baker tricked them." Redirect: he reminded them of their home.

속임수가 아니라 공감의 환기.

LEARNER PROFILE LINK

CARING The baker shows caring by feeding people first — even people on the other side.

반대편이라도 먼저 챙긴다는 Caring의 본보기.

KOREAN BRIDGE

표현 "Speak words that matter" → "꼭 필요한 말을 해라."

모듈 인용구의 한국어. 가정에서 그대로 쓰기 좋은 표현.

Q4 Connection DOK 3

In **"Pepita and the Bully,"** track Pepita's three steps from hesitant to standing up with kindness.

MODEL ANSWER

Step 1 · At first: Pepita feels hurt and hesitant. Babette teases her name and yanks her things. Pepita mumbles, frowns, and feels alone. She even asks neighbors if her name is bad. **Step 2 · Middle:** Her brother Juan gives her important advice: "Just don't fight with her. Bullies like fights." Her parents tell her to be kind. Pepita is still hesitant — but she is thinking. **Step 3 · End:** Pepita stands up. Instead of fighting, she asks a kind, real question — "What do you like?" This is honest and brave, not mean. **What it shows:** Standing up does not have to mean fighting. Honest words spoken with kindness can change even an unkind person.

KEYWORDS (3)

hesitant / mumbled | "Bullies like fights" | "What do you like?"

SCORING NOTES

- Full credit (3): all three steps + insight about kind standing-up.
- Partial (2): three steps named, no insight.
- Minimal (1): fewer than three steps OR only describes Babette.

TEACHING STEPS

Step 1 · Three-column track.

강사: *"Draw three boxes: At first / Middle / End. In each, write one sentence with one Power Word."*

코멘트. 시간 흐름을 3칸으로 시각화. 각 칸에 파워워드 한 개씩.

Step 2 · Quote-find.

강사: *"Find Juan's quote. Why does this change Pepita?"*

코멘트. 결정적 인용을 찾게 한 뒤 그 한 줄의 힘을 분석.

Step 3 · Brave-not-mean.

강사: *"What does Pepita say at the end? Is it brave? Is it mean? Both? Neither?"*

코멘트. '용감하다'와 '못되다'를 구분짓는 핵심 훈련.

STUDENT PROMPTS

- "Why does Pepita ask Mrs. Green if her name is bad?"
  왜 페피타는 이웃에게 자기 이름이 나쁜지 묻나?
- "Whose advice helps Pepita most? Why?"
  누구의 조언이 페피타에게 가장 도움이 됐을까?
- "How is 'What do you like?' a brave question?"
  '뭐가 좋아?'가 왜 용기 있는 질문일까?

DIFFERENTIATION

STRUGGLING Provide three picture cards (hesitant / thinking / brave) — students match each to a moment.

세 장의 얼굴 카드를 시점별로 매칭.

ADVANCED Rewrite Step 3 as a short script — what would Pepita say if Babette answered kindly?

3단계를 짧은 대본으로. Babette이 친절히 답한다면?

COMMON MISCONCEPTIONS

PITFALL "Just ignore bullies." Redirect: ignoring is not what Pepita does — she SPEAKS.

'그냥 무시해'와 '말로 맞선다'는 다름.

PITFALL "Tell the teacher only." Redirect: Pepita uses her own kind voice first.

선생님께 이르는 것만이 답이 아님.

LEARNER PROFILE LINK

COURAGEOUS Speaking kindly when it is hard is true courage — IB calls this Risk-taker / Courageous.

힘들 때도 친절하게 말하는 것이 진짜 용기.

KOREAN BRIDGE

표현 "What do you like?" → "넌 뭐가 좋아?"

아이에게 그대로 가르치는 한국어 한 줄. 친구 갈등 상황에서 쓰는 마법 같은 질문.

Q5 Reflection DOK 4

Essential Question: How can people work out disagreements? Use ideas from TWO stories in this module.

MODEL ANSWER

Story 1 · Big Red Lollipop: Rubina works out the disagreement by choosing kindness for her sister, even after Sana hurt her. She asks Ami not to make Sana take Maryam — and breaks a chain of hurt feelings between sisters. **Story 2 · Gingerbread for Liberty!:** The baker works out a much bigger disagreement — a war — by feeding the foreign soldiers and speaking to them in their own language. He persuades them with kindness, not force. **My Big Idea:** Disagreements — small ones at home and big ones between countries — can be worked out with kind words, listening, and sometimes a meal. Speaking words that matter is stronger than shouting.

SCORING NOTES

- Full credit (4): two stories, two clear summaries, original big idea that ties them to EQ.
- Strong (3): two stories with summaries, big idea is general.
- Partial (2): only one story discussed in depth.
- Minimal (1): no clear EQ link.

TEACHING STEPS

Step 1 · Pick two stories.

강사: *"Of the four stories, pick TWO that show very different ways to work out a disagreement."*

코멘트. 대조적인 두 이야기를 고르도록. 같은 결만 두 개 고르면 비교 가치가 떨어짐.

Step 2 · Summarize each.

강사: *"In ONE sentence, say how the disagreement got worked out in each story."*

코멘트. 한 문장 요약 훈련. 길게 늘어지지 않게.

Step 3 · Find the shared truth.

강사: *"What is SAME about how both stories solve their disagreement, even when the size is very different?"*

코멘트. 규모가 달라도 공통된 진실을 찾기 — Big Idea 작성의 핵심.

STUDENT PROMPTS

- "Which two stories did you pick? Why those two?"
  왜 이 두 이야기를 골랐어?
- "Is the lesson same or different in each?"
  두 이야기의 교훈은 같아 다를까?
- "What ONE sentence ties them together?"
  두 이야기를 묶는 한 문장은?

DIFFERENTIATION

STRUGGLING Provide a sentence frame: "In Story 1, ___ . In Story 2, ___ . Both stories show that ___."

문장 틀을 제공해 빈칸 채우기.

ADVANCED Use the quote — "You must speak words that matter" — as the closing line. Tie back to BOTH stories.

모듈 인용구로 마무리 문장 작성.

COMMON MISCONCEPTIONS

PITFALL Picking Short Read or Infographic instead of a main story. Redirect to the 4 main reads.

메인 4개 이야기 중에서 고를 것. 단편/인포그래픽은 제외.

PITFALL Re-telling the plot, not the SOLVING.

줄거리 요약이 아니라 '해결 방법'에 초점.

LEARNER PROFILE LINK

REFLECTIVE Tying two different stories to ONE big idea is true reflection — the heart of DOK 4.

두 이야기를 하나의 큰 아이디어로 묶는 것이 진짜 성찰.

KOREAN BRIDGE

표현 "Speak words that matter" → "꼭 필요한 말을 골라서 해라."

초2 학생이 외울 만한 한 줄. 일상 갈등 상황에 그대로 쓸 수 있게.

SYNTHESIS FRAME

STORY A · PATTERN	SHARED TRUTH	STORY B · PATTERN
Disagreement at home → choose kindness → break the chain.	Kind words and choosing the other person's good can work out even hard disagreements.	Disagreement between groups → share food + speak honestly → switch sides.

REAL-WORLD CONNECTION

홈 Sibling fight over the last snack at home.

집에서 형제자매가 마지막 간식으로 다투는 상황 — 컴프로마이즈가 즉시 적용 가능.

학원 Two students want the same desk by the window.

학원 자리 다툼 — 순서 정하기와 들어주기가 작동.

사회 Two neighborhoods disagree on a new park rule.

동네 간 의견 차이 — 들어보고 양보하는 방법.

SYNTHESIS RUBRIC (TEACHER)

LEVEL	TWO STORIES	CONNECTION	BIG IDEA
4 · Exemplary	Two main reads chosen with sharp contrast.	Clear cause-effect noted in each.	Original sentence; ties to EQ + quote.
3 · Proficient	Two main reads chosen.	Solving step named in each.	General sentence; ties to EQ.
2 · Developing	Two stories, but one is Short Read / Infographic.	Plot retell, not solving step.	Big idea is plot-level only.
1 · Beginning	One story only, or none.	No clear connection.	No big idea or off-topic.

Worksheet D — MAP Practice · Answer Key

20 items · RIT 180 → 200 · 4 mini-passages

Q1 RIT 180 · Key Detail

D

"Both wanted the last slice of pizza." Stated directly in line 1.

C

"In a calm voice" — quiet, not upset. Trap A: opposite meaning.

Q4 RIT 188 · Inference

D

Mom names what they did a "compromise" — solved fairly.

Mrs. Lee asks each group to speak, then offers a both-and solution — a listening teacher.

Q10 RIT 195 · Main Idea

D

Listening leads to a plan that works for everyone — connects to module BIW "decision."

PASSAGE 4 · WORDS THAT BUILD A BRIDGE · 125 WORDS · LEXILE 420–500L

"An old fishing spot" — stated in middle paragraph.

Q17 RIT 200 · Cause & Effect

B

The baker's act of crossing with bread for the children FIRST began the change. Echoes the Gingerbread for Liberty! pattern.

Q20 RIT 200 · Main Idea

A

Kind words and small acts can begin to work out even an old disagreement — direct synthesis of the module EQ.

Teacher Note · Passage Design. All four passages connect to module Big Idea Words (compromise / decision / disagreement) and to the Essential Question. Passage difficulty climbs from Lexile 250L (Passage 1) to 500L (Passage 4), and RIT from 180 to 200, so the worksheet doubles as a MAP-style growth check across the G2 band.

Module 3 Cross-Walk · Essential Question Map

How each worksheet element supports the EQ

MODULE MAP

Essential Question Across the Module

EQ: How can people work out disagreements?
The four main reads each answer this EQ in a different way. Worksheets A through D build the vocabulary, comprehension, deeper thinking, and independent reading skill to engage with the EQ.

Four Pathways to Working Out Disagreement

- **Big Red Lollipop · home / siblings:** Rubina chooses kindness over revenge. The path is INTERNAL — she decides not to repeat the cycle. The big idea word is **decision**.
- **Working with Others · everyday teamwork:** The text gives explicit skills — be respectful, do not blame fast, practice. The path is BEHAVIORAL. The big idea word is **disagreement**.
- **Gingerbread for Liberty! · history / large scale:** The baker persuades foreign soldiers across enemy lines with shared language and bread. The path is RELATIONAL. The big idea word is **compromise** (and the quote — "words that matter").
- **Pepita and the Bully · school / peers:** Pepita stands up with honest, kind words. The path is VOCAL — she SPEAKS, but kindly. The big idea word is **decision** (she chooses how to respond).

Worksheet ↔ EQ Map

WORKSHEET	HOW IT SUPPORTS EQ	KEY EVIDENCE
A · Vocabulary (27)	Builds the three Big Idea Words (compromise / decision / disagreement) plus 24 Power Words — the actual language of conflict and its resolution.	Q1–Q3 anchor the BIW; Q12–Q15 (Working with Others) cluster around how-to-act words.
B · Reading Comp (32)	Eight items per main read trace how each story works out its disagreement — character, cause, lesson.	Q6 (Rubina asks Ami), Q20 (baker rolls sleeves), Q29 ("What do you like?") — climactic moments.
C · IB Critical Thinking (5)	Five PYP key-concept lenses — Perspective, Responsibility, Causation, Connection, Reflection — pushed through DOK 2→4 so students reason about the same EQ from five angles.	Q5 synthesis pulls two stories under the EQ umbrella.
D · MAP Practice (20)	Four new passages — none from the workbook stories — each modeling a different small-scale way to work out disagreement (pizza, class trip, bench, two-town bridge).	Each passage's "Main Idea" question (Q5, Q10, Q15, Q20) names the resolution strategy explicitly.

Hallucination Guard — SoT Cross-Checks Done

- Power Words count = 24 (8 + 4 + 4 + 8) ✓ — matches SoT exactly. Short Read & Infographic have no Power Words.
- Big Idea Words = 3 (compromise / decision / disagreement) — "conflict" is NOT added as a 4th BIW.
- The gingerbread baker is referred to as "the baker" — never Christopher Ludwick (his real name is NOT in the workbook).

- Sister names verified: Rubina (eldest), Sana (middle), Maryam (youngest). Sally is the American friend. No confusion of Sana/Sally.
- "hesitant" (not "hautant"), "scurries" (not "Scunies") — OCR mis-reads visually corrected per SoT notes.
- Genres: Big Red Lollipop = Realistic Fiction. Working with Others = Informational. Gingerbread for Liberty! = Biography. Pepita and the Bully = Realistic Fiction.
- Module title = "Meet in the Middle" (Short Read is "Meet Me Halfway" — distinct).
- Quote = Kate DiCamillo. Not from any of the four main authors.
