A · 20 · B · 21 · C · 19 · D · 19

Balance enforced via choice-order rotation only — correct-answer meanings and option texts are preserved from the Source of Truth. All 27 Big Idea + Power Words covered in mybook page-order on Worksheet A.

Voca Trap Items (Worksheet A)

8 of 27 ≈ 30% — meets G2 trap target band.

- Q5 **figured** — polysemy (drew a "figure" of vs. worked out)
- Q9 **series** — narrow-meaning trap (TV show vs. set in order)
- Q13 **statements** — sound-trap with "station" / mistaken for "question"
- Q15 **current** — polysemy (water current / dried fruit / electricity vs. most recent)
- Q20 **secret** — polysemy (small drum / loud sound trap vs. hidden knowledge)
- Q23 **dared** — homophone trap with "dared" vs. "dart" (tool to dig)
- Q26 **starlit** — compound-word trap (a sign with stars vs. lit by stars)
- Q27 **allowed** — homophone trap with "aloud" (spoken loudly)

Worksheet B — Distractor Strengthening (Team Lead Feedback #1)

9 items revised: weak "off-topic" distractors replaced with text-adjacent traps drawn from SoT (characters, Power Words, genre features). 6 of 9 also compressed the correct option to remove length-bias.

- **Type A (distractors only):** Q13 (timeline structure), Q14 (author purpose), Q16 (Big Idea timeline)
- **Type B (distractors + correct compressed):** Q8 (Helen BI), Q11 (statements purpose), Q12 (first step after statements), Q23 (James Bruchac purpose), Q24 (Bruchac BI), Q32 (Drum Dream Girl BI)

All revisions preserve: correct letter position, CCSS code, question text, 4-choice format. New distractors reference SoT-verified facts (Tramayne, Abenaki elders, grandfather, Miss Sullivan, Saratoga Springs, older sisters' band, music teacher, "current" Power Word, etc.) — no hallucination.

MAP Mini-Passage Word Counts (Worksheet D)

- Passage 1 · Lina's First Letter · **130 words** · Lexile 240–290L · RIT 180–189
- Passage 2 · The Last Note · **135 words** · Lexile 300–350L · RIT 190–195
- Passage 3 · The Boy Who Drew Bridges · **148 words** · Lexile 360–410L · RIT 195–199
- Passage 4 · The Runner Who Could Not Speak · **150 words** · Lexile 440–500L · RIT 199–200

All four passages within target band 80–150 words; RIT 180→200; Lexile 240L–500L. Each passage models a different EXPERIENCE that shapes a child — language barrier and a drawing, family memory and inherited paper, a quiet love that becomes a career, and using what you CAN do when words are missing. Together they answer the EQ.

B Worksheet B — Reading Comprehension · Answer Key

32 items · CCSS RL.2.1–2.6 / RI.2.1–2.8

Story 1 · I Am Helen Keller

BIOGRAPHY · 8 ITEMS

Q1 RI.2.1

A

Evidence: "I became blind and deaf at 19 months old" (SoT, OCR meta lines 10–12).

Q2 RI.2.3

B

Evidence: "To say FATHER, I motioned" putting on glasses (OCR 674).

Q3 RI.2.3

C

Evidence: Miss Anne Sullivan is named as Helen's teacher who taught communication (SoT characters list).

Q4 RI.2.6

D

Author's Purpose: Meltzer's biography shows Helen facing hurdles and reaching her potential to inspire readers. **Trap rejects:** A turns Belle the dog into a how-to topic; B narrows the glasses-for-FATHER gesture into an instruction manual; C reduces a life story to a travel list.

Q5 RI.2.3

A

Evidence: "people didn't know how to deal with someone" (OCR 612) — Helen could not see or hear.

Q6 RI.2.5

A

Source: SoT genre — Biography. True life story of a real person.

Q7 RI.2.3

D

Evidence: "Reread the speech... potential" (OCR 1507, 1524). What Helen could become.

Q8 RI.2.2

C

Synthesis: Patient teacher + Helen's hard work → communication. **Trap rejects:** A misreads "born different" as the cause of fame; B erases Helen's effort (text emphasizes she figured out gestures herself); D contradicts the whole biography arc.

Story 2 · How to Make a Timeline

PROCEDURAL TEXT · 8 ITEMS

Q9 RI.2.5

A

Source: SoT genre — Procedural. Step-by-step instructions.

Q10 RI.2.8

B

Reasons support a point: Five clock symbols by the biography vs. one by the timeline (OCR 1871–1879) prove a timeline takes less time to read. **Trap rejects:** A misreads the John Hancock example as an age contest; C confuses clocks with event times; D treats the symbol as a rule for decorating timelines.

Q11 RI.2.3

B

Evidence: "Read the statements he wrote" (OCR 1782, 1996) — model for readers. **Trap rejects:** A makes it about Tramayne's skill, not the procedural purpose; C confuses the statements (samples) with a full biography; D contradicts procedural intent — readers write their OWN statements.

Q12 RI.2.3

D

Evidence: "Arrange all of your notecards in order" (OCR 2101). **Trap rejects:** A jumps to a later step (drawing the line); B uses the Power Word "current" but the text says order chronologically, not "read newest first"; C inserts a "pick one" step that is NOT in the procedure.

Q13 RI.2.5

A

Text Structure: Procedural — steps in order (OCR 1775 "steps that show order"; 1916–1917 "read a timeline from left to right"). **Trap rejects:** B confuses Tramayne's example timeline with the text's structure (the text teaches HOW, not Tramayne's life story); C invents a comparison not in the text; D imposes a problem-solution frame the procedural text does not use.

Q14 RI.2.6

C

Author's Purpose: Teach readers how to make their own timeline (procedural genre). **Trap rejects:** A confuses example (Tramayne) with subject — Gillin is not writing Tramayne's biography; B invents a comparison not present; D wrongly treats the procedural text as personal memoir.

Q15 RI.2.3

B

Connection between events: Events ordered by time on a timeline (OCR 1785 "current one on the right"; 1916–1917 "read a timeline from left to right").

Q16 RI.2.2

D

Synthesis: Anyone can build a timeline of their own experiences. **Trap rejects:** A over-generalizes "every event"; B contradicts the text's "anyone can" stance; C misuses the Power Word "current" — recency does not equal importance in this text.

Story 3 · The Stories He Tells

BIOGRAPHY · 8 ITEMS

Q17 RI.2.1

B

Evidence: SoT characters — Joseph Bruchac III, Native American (Abenaki) storyteller (b. 1942, Saratoga Springs).

Q18 RI.2.3

A

Evidence: Power Word "ashamed" — early identity feeling (OCR 2321, 2626).

Q19 RI.2.3

D

Evidence: SoT characters — grandfather, Abenaki, "strong love for animals and nature."

Q20 RI.2.3

C

Evidence: Power Word "elders" (OCR 2323) — source of old stories.

Q21 RI.2.3

B

Evidence: "ashamed" (OCR 2321) → "overflowing" + "pride" (OCR 2325, 2327, 2796) — explicit change arc.

Q22 RI.2.8

C

Reasons support a point: "Joseph Bruchac became known all across the world as a Native American storyteller" (OCR 3507) and "help pass along these once hidden traditions to future generations" (OCR 3673) explain why Joseph felt safe to share his grandfather's once-hidden stories. **Trap rejects:** A contradicts the text — Joseph stayed close to family; B reverses cause and effect (Grandpa Jesse's school exit came first, for a different reason); D contradicts the text — Joseph keeps sharing stories, including with his sons.

Q23 RI.2.6

C

Author's Purpose: James Bruchac writes his father Joseph's life to keep the Abenaki stories alive. **Trap rejects:** A sets son against elders — the text honors both; B confuses author (James) with subject (Joseph); D uses real SoT detail (grandfather's love of nature, Saratoga Springs) but is not the central purpose.

Q24 RI.2.2

D

Synthesis: Elders + heritage → shame turns to pride; carried stories shape identity. **Trap rejects:** A splits grandfather from elders — both shaped Joseph; B contradicts the "ashamed → overflowing pride" arc (OCR 2321 → 2325/2327); C misreads Joseph's adult work — he shares stories with the world, not hides them.

Story 4 · Drum Dream Girl

POETRY · 8 ITEMS

Q25 RL.2.5

A

Source: SoT genre — Poetry, based on true story of Millo Castro Zaldarriaga (back matter).

Q26 RL.2.3

C

Evidence: "only boys were allowed to play drums" (OCR 3007, 3242, 3493, 3667).

Q27 RL.2.3

B

Evidence: "dreaming and drumming alone" (OCR 3656); Power Word "secret" PDF p.64.

Q28 RL.2.4

D

Evidence: "she heard the whir of parrot wings" (OCR 3327) — sound word that echoes drumming.

Q29 RL.2.3

A

Evidence: SoT characters — "the girl's father" eventually finds her a teacher.

Q30 RL.2.3

B

Evidence: Music teacher agrees the girl's drumming "deserved to be heard" (OCR 3694, 3782).

Q31 RL.2.6

D

Point of View: Poem follows the drum dream girl as main character (SoT character profile; OCR 3656 "dreaming and drumming alone"; 3694/3782 her drumming "deserved to be heard").

Q32 RL.2.2

C

Synthesis: Dared + secret practice + one helper → cultural rule changes. **Trap rejects:** A contradicts the "dreaming and drumming alone" / secret stage (OCR 3656); B credits the older sisters' band — but the father and music teacher are the helpers in the rule change; D inverts the order — the teacher confirms the drumming, the drumming itself is what earns the hearing.

Worksheet C — IB Critical Thinking · Answer Key

5 questions · PYP Key Concepts · DOK 2–4

Q1 Perspective DOK 3

In **"I Am Helen Keller,"** show what the world felt like through Helen's senses before and after Miss Sullivan came.

MODEL ANSWER

Before Miss Sullivan: Helen could not see and could not hear. She lived in silence and dark. She "figured out small ways to communicate" — like putting on glasses with her hand to mean FATHER. But most people did not know how to "deal with" her. She felt closed off and frustrated. **After Miss Sullivan:** A patient, selfless teacher spelled words into Helen's hand. Word after word, the world opened. Helen learned a SERIES of names for things — water, dog, FATHER. She felt approached, met, and understood. **What this teaches:** A person who learns differently is not "less" — they need a different bridge. Through Helen's own voice, we see that intelligence can wait inside silence, waiting for someone selfless enough to reach it.

KEYWORDS (3)

blind + deaf at 19 months | motioned / figured out | Miss Sullivan + potential

SCORING NOTES

- Full credit (3): before-state, turning point (Miss Sullivan), and after-state all described from Helen's POV.
- Partial (2): before/after stated but POV slips to outsider.
- Minimal (1): only "she became famous" — no sense of what changed for Helen herself.

TEACHING STEPS

Step 1 · Close eyes, listen.

강사: *"Close your eyes for 30 seconds. Plug your ears. Now imagine that being your whole world. How would you ask for water?"*

코멘트. 눈 감고 귀 막은 30초 — 헬렌의 세계를 몸으로 잠깐 체험.

Step 2 · Find Helen's gesture.

강사: *"On p.8, find the part where she 'motioned' putting on glasses to mean FATHER. What does this show about her mind?"*

코멘트. 'glasses 동작 = FATHER'는 무엇을 보여주나? — 이미 머릿속에 사고가 살아 있다는 증거.

Step 3 · Bridge to today.

강사: *"Who in our community needs a different 'bridge' to communicate? Name one."*

코멘트. 우리 주변에 다른 '다리'가 필요한 친구는? 한 명 이름 들어보기.

STUDENT PROMPTS

- "What did Helen FEEL through her hands and feet — what others felt through eyes and ears?"
  손과 발로 무엇을 느꼈을까? — 다른 사람의 눈·귀와 같은 역할.
- "Which one word came first in Helen's hand? Why does it matter?"
  손바닥에 들어온 첫 단어는? 왜 중요한가?

- "Was Helen's intelligence smaller — or just waiting?"
  헬렌은 머리가 부족했나, 그저 기다리고 있었나?

DIFFERENTIATION

STRUGGLING Provide 2 picture cards (silent world / hand-spelling) and 2 emotion words to label each.
두 그림 카드 + 두 감정 단어 매칭.

ADVANCED Compare Helen's "first word" moment with Joseph Bruchac's "first story from an elder." How are they alike?
헬렌의 '첫 단어'와 조셉의 '엘더의 첫 이야기' 비교.

COMMON MISCONCEPTIONS

PITFALL "Helen could not think before Miss Sullivan." She THOUGHT — she just had no words. The text shows her glasses-gesture for FATHER.
생각이 없었던 것이 아님 — 언어 도구가 없었을 뿐.

PITFALL "Miss Sullivan fixed Helen." Miss Sullivan TAUGHT — she did not "fix." Helen worked hard alongside her.
선생님이 고친 것이 아니라, 함께 일한 것.

LEARNER PROFILE LINK

OPEN-MINDED Seeing the world from Helen's hand is the heart of open-minded thinking.
헬렌의 손으로 세상을 보는 자세 — Open-minded.

KOREAN BRIDGE

표현 "I see it through your hand." → "네 손으로 그 세상이 보여."
관점 전환 한 줄. 헬렌의 POV에 그대로 들어가는 표현.

개념 "blind / 시각 장애 — deaf / 청각 장애 — potential / 잠재력"
핵심 단어 영-한 대응. 비전문 학부모와 대화할 때도 그대로 사용.

Q2 Form DOK 2

In **"How to Make a Timeline,"** make a short timeline of YOUR life — three events.

MODEL ANSWER

Earliest: When I was three, my family moved to a new apartment. I remember the empty rooms. **In the middle:** When I was six, I learned to read my first chapter book by myself. My mother sat next to me. **Most current:** This year, I joined the school soccer team and scored my first goal. **What shaped me most:** The reading moment — because once I could read alone, I could learn anything else by myself. Tramayne's timeline showed me that an ordinary life still has BIG moments — and putting them in order helps you see who you are becoming.

KEYWORDS (3)

3 events, in order | arrange statements | which one shaped me

SCORING NOTES

- Full credit (3): 3 events in chronological order + 1 "shaped me" reflection with a reason.
- Partial (2): 3 events but order unclear, OR no reflection.
- Minimal (1): fewer than 3 events, or "I don't know."

TEACHING STEPS

Step 1 · Notecards.

강사: *"Take 3 small cards. On each, write ONE event from your life — when, what, who."*

코멘트. 카드 3장, 한 장에 한 사건 — 언제·무엇·누구.

Step 2 · Arrange.

강사: *"Arrange them on your desk — oldest on the left, most current on the right."*

코멘트. 왼쪽이 가장 옛날, 오른쪽이 가장 최근.

Step 3 · Star the shaper.

강사: *"Star the ONE event that shaped you most. Write WHY in one sentence."*

코멘트. 가장 큰 사건에 별표 + 이유 한 문장.

STUDENT PROMPTS

- "What is one event you remember from before kindergarten?"
  유치원 전 기억 한 가지?
- "What is one event from THIS year that changed something?"
  올해 무엇이 달라졌나? 한 가지.
- "If your friend made the same timeline, would it look the same? Why or why not?"
  친구가 같은 타임라인을 만들면 똑같을까? 이유는?

DIFFERENTIATION

STRUGGLING Provide a pre-drawn line with 3 dots already labeled "When I was little / In the middle / This year."
3개 점이 미리 적힌 선 제공.

ADVANCED Add a 4th dot for "Where I want to be next year" — a FUTURE event.

내년 목표를 4번째 점으로 추가.

COMMON MISCONCEPTIONS

PITFALL "Only big events count." Small events can shape us too (a teacher's smile, a borrowed book).

작은 사건도 영향을 줄 수 있음 — 선생님의 한 마디, 빌린 책 한 권.

PITFALL "The oldest event goes on the right." Procedural text says the most CURRENT one on the right.

가장 최근이 오른쪽. 가장 오래된 것이 왼쪽.

LEARNER PROFILE LINK

REFLECTIVE Looking at your own past in order is the start of reflective thinking.

자신의 과거를 순서대로 보는 것이 Reflective 사고의 시작.

KOREAN BRIDGE

표현 "Before that... after that..." → "그 전에는... 그 다음에는..."

시간 순서 두 줄. 그대로 글쓰기에 사용.

Q3 Change DOK 3

In **"The Stories He Tells,"** map Joseph Bruchac's change from feeling ASHAMED to feeling OVERFLOWING with pride.

MODEL ANSWER

Helper 1 · Grandfather: Abenaki, taught Joseph to love animals and nature — gave Joseph a first quiet connection to his heritage. **Helper 2 · Grandmother:** Loved books and learning (one of the first women to graduate from Albany Law School) — showed Joseph that an Abenaki family could hold both story and study. **Helper 3 · Elders:** Carried the oldest stories — when Joseph listened to them as a young adult, the stories became HIS. **Helper 4 · His own son James:** Asked Joseph to keep telling stories — turning Joseph into the teller for the next generation. **The turning moment:** When Joseph stopped hiding his heritage and started LISTENING to the elders, the same family he had been ashamed of became the source of his pride — overflowing pride. **Big idea:** Heritage shapes us, but only when we choose to listen to those who carry it.

KEYWORDS (3)

ashamed → overflowing pride | grandfather + grandmother + elders | he becomes the teller

SCORING NOTES

- Full credit (3): 4 helpers named + turning moment + a reason for the change.
- Partial (2): 3+ helpers but no turning-moment reflection.
- Minimal (1): only "he changed" without naming who helped.

TEACHING STEPS

Step 1 · Two emotion-faces.

강사: *"Draw a face that shows ASHAMED. Draw a face that shows OVERFLOWING with pride."*

코멘트. 두 가지 표정 그리기 — 부끄러움 / 자랑스러움.

Step 2 · Web of helpers.

강사: *"Put Joseph in the middle. Around him, name 4 people who helped him cross from one face to the other."*

코멘트. 조셉 중앙 + 4명의 도움자 가지 — 한 명씩 이름·기여 적기.

Step 3 · Your turn.

강사: *"Name ONE person who carries YOUR family's stories. What did they teach you?"*

코멘트. 우리 가족의 이야기 전달자 한 명 — 그분이 가르쳐 준 것 한 가지.

STUDENT PROMPTS

- "Why did Joseph feel ashamed at first?"
  처음에 왜 부끄러웠을까?
- "What did the elders give him that schoolbooks could not?"
  학교 책이 줄 수 없었던, 어른들이 준 것은?
- "Whose stories will YOU carry one day?"
  너는 언젠가 누구의 이야기를 이어 갈까?

DIFFERENTIATION

STRUGGLING Provide a pre-drawn web with 4 empty boxes and a word bank (grandfather / grandmother / elders / son).

빈 박스 + 단어 은행 제공.

ADVANCED Write a one-paragraph story Joseph might tell to his own son James — using ONE Abenaki theme (animals, nature, ancestors).

조셉이 아들에게 들려줄 짧은 이야기 한 단락.

COMMON MISCONCEPTIONS

PITFALL "Heritage means the same as nationality." Heritage is family and stories you carry — wider than a passport.

heritage는 국적보다 넓은 개념 — 가족·이야기·전통의 총합.

PITFALL "Only one person changed Joseph." Several helpers across years — change is a chain, not a single moment.

한 명이 바꾼 게 아님. 여러 도움자가 시간에 걸쳐.

LEARNER PROFILE LINK

OPEN-MINDED Listening to elders even when school says otherwise is open-minded learning.

학교가 다른 답을 줘도 어른의 이야기를 듣는 자세 — Open-minded.

KOREAN BRIDGE

표현 "I am proud of where I come from." → "나는 내가 어디서 왔는지 자랑스러워."

정체성 한 줄. 학생 일기 한 줄에 그대로 사용 가능.

Q4 Causation DOK 3

In **"Drum Dream Girl,"** trace what the girl DID — see, hear, feel — at three moments.

MODEL ANSWER

Step 1 · Secret: The girl is told that only boys are ALLOWED to play drums. She does not stop dreaming. She drums ALONE in her own room. She listens to the WHIR of parrot wings as if the parrots are reminding her of a drumbeat. **Step 2 · Dared:** She finally asks her father for a teacher. Her older sisters already have an all-girl dance band — that gives her courage. She DARED to say her dream out loud. **Step 3 · Heard:** A music teacher agrees that her drumming DESERVED to be heard. She plays a concert at the STARLIT café. People listen. The rule about "boys only" cracks. **The one small action that caused the big change:** She kept drumming alone, in secret, until she had the courage to ASK for a teacher. Practice + asking = the rule broke.

KEYWORDS (3)

secret + alone + drumming | dared to ask | deserved + starlit café

SCORING NOTES

- Full credit (3): 3 steps with see/hear/feel + the small action that caused change.
- Partial (2): 3 steps but no causal moment named.
- Minimal (1): only "she played drums" — no progression.

TEACHING STEPS

Step 1 · Tap the rhythm.

강사: *"Tap a quiet drumbeat on your desk. Now tap a louder one. Where in the poem do the beats change?"*

코멘트. 조용한 박자 → 큰 박자. 시 속 어느 부분에서 변할까?

Step 2 · Three-column chart.

강사: *"Secret / Dared / Heard — fill in one image and one feeling for each."*

코멘트. 3열 차트 — 비밀·용기·들리다, 각 열에 이미지 1개·감정 1개.

Step 3 · Find the rule-breaker.

강사: *"Underline the ONE sentence where the old rule starts to crack."*

코멘트. 옛 규칙이 깨지기 시작하는 문장에 밑줄.

STUDENT PROMPTS

- "Why did she practice in secret?"
  왜 비밀로 연습했을까?
- "What gave her the courage to ASK her father?"
  아버지에게 부탁할 용기를 무엇이 줬을까?
- "What is one rule in YOUR life that might be ready to change?"
  너의 삶에서 곧 바뀔 수 있는 규칙은?

DIFFERENTIATION

STRUGGLING Provide picture cards labeled SECRET / DARED / HEARD — student orders them.

3장 카드 순서 맞추기.

ADVANCED Write the missing scene — what happens INSIDE the music teacher's mind when she first hears the girl drum.

선생님의 마음속 장면 — 시에 없는 빈자리 채우기.

COMMON MISCONCEPTIONS

PITFALL "Her father changed the rule." Her father FOUND a teacher; the music teacher agreed her drumming deserved to be heard — rule cracked across several people.

아버지 한 사람이 바꾼 게 아님 — 여러 사람의 도움.

PITFALL "Drumming alone is sad." Alone here means she keeps the dream alive — not lonely failure.

'alone'은 슬픔이 아니라 꿈을 지키는 방식.

Q5 Reflection DOK 4

Essential Question: How do our experiences shape our lives? Use ideas from TWO of the texts in this module.

MODEL ANSWER

Our experiences shape us — not as a single big day, but as a chain of small ones. In **"I Am Helen Keller,"** Helen could not see or hear. The day Miss Sullivan finally spelled water into her hand became Helen's whole world opening. That ONE moment shaped a girl who could not communicate into a woman who would speak for many. In **"Drum Dream Girl,"** a Cuban girl was told that only boys could play drums. She practiced in secret, dared to ask, and finally played at the starlit café. Her DAILY tiny practice — and her brave one-time ASK — together shaped both her own life and the rule for other girls after her. **My Big Idea:** Experiences shape us in two ways. First, by what HAPPENS to us — like Helen's silence. Second, by what we DO inside what happens — like the drum dream girl's brave drumming alone. The first is given; the second is chosen. Both make us.

KEYWORDS (3)

what happens TO us | what we DO inside it | given + chosen

SCORING NOTES

- Full credit (4): two texts named + one shaping experience from each + personal Big Idea + real-world bridge.
- Partial (3): two texts + effect, Big Idea weak.
- Developing (2): one text only.
- Minimal (1): generic ("things happen") without evidence.

SYNTHESIS FRAME

TEXT 1 EVIDENCE	CONNECTING WORD	TEXT 2 EVIDENCE
One short detail: a silence, a teacher, a sign with hands.	AND / BUT / LIKE — chooses the kind of shaping.	One short detail: a rule, a secret practice, a starlit café.

REAL-WORLD CONNECTION

KOREA The Korean idea of 시련 (hardship) and 성장 (growth) — many Korean stories say hard experiences make us.

시련이 사람을 키운다는 한국 정서와 EQ가 정확히 맞닿는 부분. 한 예 들기.

PERSONAL Pick ONE day in your life when something happened that you did not choose — but you chose how to respond.

선택하지 않은 사건 + 내가 선택한 반응 — 하루 떠올리기.

RUBRIC

LEVEL	WHAT IT LOOKS LIKE
Exceeding (4)	Names 2 texts + 2 different kinds of shaping + personal Big Idea + Korean / personal real-world link.
Meeting (3)	Names 2 texts + one shaping experience each + Big Idea.
Approaching (2)	Names 2 texts but only 1 clear effect; Big Idea weak.
Beginning (1)	Generic ("experiences are important") without text evidence.

Watch out: Many students will name only the dramatic event (the illness, the rule). Push them to also name the QUIET choice (the alone practice, the daily hand-spelling) — that is where the deeper shaping lives.

TEACHING STEPS

Step 1 · Two-column thinking.

강사: *"For each text, fill TWO columns: what HAPPENED to them / what they DID inside it."*

코멘트. 텍스트별 2열 — 일어난 일 / 그 안에서 한 선택.

Step 2 · Personal pair.

강사: *"Now do the same two columns for YOU. One row only."*

코멘트. 나에 대해서도 한 줄 2열 — 일어난 일 / 내가 선택한 반응.

Step 3 · Write the Big Idea.

강사: *"One sentence — how do experiences shape us? Be specific."*

코멘트. 한 문장 결론 — 경험이 우리를 어떻게 만드는가, 구체적으로.

STUDENT PROMPTS

- "Did Helen choose to be blind and deaf? Did she choose to keep working with Miss Sullivan?"
  헬렌이 시청각 장애를 선택했나? — 아님. 선생님과 일하기로 한 것은 선택이었나? — 그렇다.
- "What is one experience in your life that you did NOT choose?"
  내가 선택하지 않은 경험 한 가지?
- "What is one quiet, brave thing you do inside it?"
  그 안에서 하는 조용하지만 용감한 행동 한 가지?

DIFFERENTIATION

STRUGGLING Provide a sentence frame: "In ____, ____ happened. The person CHOSE to ____. This shaped them by ____."

4단 문장 골격 제공.

ADVANCED Compare Helen's "first word" and the drum dream girl's "first concert." Which shaped a wider world? Why?

두 사건 비교 — 어느 것이 더 넓은 세상을 바꿨나? 왜?

COMMON MISCONCEPTIONS

PITFALL "Experiences just happen — we cannot do anything." Both texts show people DOING something inside what happens — that doing is the shaping.

경험은 그냥 일어나는 게 아님. 그 안에서 하는 행동이 사람을 만듦.

PITFALL "Only big, dramatic events shape us." Daily small choices (practicing alone, listening to elders) shape us too.

큰 사건만이 아님. 매일의 작은 선택도 우리를 만듦.

REFLECTIVE Asking "what happened TO me / what I DID inside it" is the core reflective question.

'나에게 무엇이 일어났나 / 그 안에서 나는 무엇을 했나' — 가장 핵심적인 Reflective 질문.

THINKERS Holding "given + chosen" together is true critical thinking.

주어진 것과 선택한 것을 함께 잡는 사고 — Thinkers.

KOREAN BRIDGE

표현 "It happened to me, but I chose what to do." → "내게 그 일이 일어났지만, 내가 어떻게 할지는 내가 정했어."

EQ에 대한 가장 강한 학생 답변. 글쓰기 마무리.

관용구 "Everyone has a story." → "사람마다 자기 이야기가 있다."
