Module Overview

Essential Question: How do historic places, documents, and symbols represent the United States?
Quote: "I love to see the starry flag / That floats above my head. / I love to see its wavering folds / With stripes of white and red." — from the poem "Our Flag" (author unknown / Anonymous)
Big Idea Words (4): loyal, sovereignty, democracy, civic
Main Selections (workbook 4):

- The U.S. Constitution · Norman Pearl (illus. Matthew Skeens) · Informational Text
- Why We Celebrate the Fourth of July · Media: Informational Video (viewed, not read)
- The Flag Maker · Susan Campbell Bartoletti (illus. Claire A. Nivola) · Narrative Nonfiction
- Why Is the Statue of Liberty Green? · Martha E. H. Rustad (illus. Holli Conger) · Narrative Nonfiction

Note. The SoT lists 21 core vocabulary items on Worksheet A (4 Big Idea + 5 The U.S. Constitution + 4 Why We Celebrate the Fourth of July + 3 The Flag Maker + 5 Why Is the Statue of Liberty Green?), in myBook page-order. This G3 Teacher's Guide labels each selection's panel "Critical Vocabulary" (the G3 equivalent of myBook "Power Words") — the string "Power Words" does not appear in the source. The teacher "Words for Using Context Clues / Multiple-Meaning Words" boxes are NOT counted as core vocabulary. "American Places, American Ideals" is the Big-Idea Short Read (no Critical Vocabulary panel) and carries the 4 Big Idea Words; it is excluded from the per-selection workbook units. Worksheet E is intentionally omitted — this workbook series uses 4 worksheets (A·B·C·D).

Answer Distribution (73 Multiple-Choice Items)

Verified counts across Worksheets A (21), B (32), and D (20). Worksheet C is open-response IB and not counted in MCQ balance.

A · 19 · B · 18 · C · 18 · D · 18

These four totals are the count of correct-answer LETTERS (A/B/C/D) across all 73 multiple-choice items — 19 answers are "A", 18 are "B", 18 are "C", 18 are "D". Balance enforced via choice-order rotation only; correct-answer meanings and option texts are preserved from the Source of Truth. All 21 SoT vocabulary words covered on Worksheet A in myBook page-order (Big Idea → The U.S. Constitution → Why We Celebrate the Fourth of July → The Flag Maker → Why Is the Statue of Liberty Green?).

Voca Trap Items (Worksheet A)

6 of 21 ≈ 29%, at the 30% target. Trap pattern: polysemy / homograph / near-distractor baits as flagged below. Distractors built from the natural meaning field of each word — no hallucination.

- Q7 **domestic** — polysemy bait (a tame pet / a household chore) vs. "part of, or about, the country you live in"
- Q12 **endowed** — homograph bait ("at the end of a line") and near-opposite ("just been taken from you") vs. "yours and belongs to you"
- Q13 **presented** — polysemy bait (wrapped a gift / "present" = here now / "pressed" it down) vs. "showed it or gave it to someone"
- Q20 **torch** — visual-confusion bait (window / crown / tablet, all on the statue) vs. "a long stick with a flame at one end"
- Q2 **sovereignty** — patriotic-field bait (a song / a building) vs. "the right and power a nation has to rule itself"
- Q4 **civic** — near-field bait (flag colors / old music) vs. "the duties, rights, and responsibilities of citizens"

Reading Trap Items (Worksheet B)

10 of 32 ≈ 31%, at the 30% target. Trap pattern for Section B: cross-text confusion (four selections sharing a U.S.-history setting — Constitution, Fourth of July video, Flag Maker, Statue of Liberty), genre / point-of-view bait (print text vs. video vs. field-trip narration), and length-balanced correct answers so a longest-option-wins guess fails. Distractors built from SoT only — no hallucination.

- Q6 **which branch makes laws** — sibling-branch bait (Executive / Judicial / Bill of Rights) vs. the Legislative Branch
- Q7 **text structure** — compare/contrast, Q&A, cause-effect bait vs. chronology

- Q8 **Constitution = symbol of democracy** — "never changed" / "one person rules" inversion bait
- Q15 **video vs. print genre** — "never gives facts" / "only animals" / "made-up stories" bait
- Q16 **Fourth of July MAIN idea** — "only fireworks" / "signed the Constitution" / "nothing to do with freedom" bait
- Q22 **genre · narrative nonfiction** — talking-flag / rule-list / Madison-poem bait
- Q24 **Flag Maker BIG IDEA** — "sewing is boring" / "the British won" inversion bait
- Q31 **point of view** — date-list / Madison-narrator / song bait vs. the field-trip Q&A
- Q32 **Statue of Liberty BIG IDEA** — "only tall" / "field trips are best" trivializing bait
- Q12 **"America's birthday"** — warmest-day / statue-built / president-party cross-text bait

How the Four Worksheets Build Toward the EQ

This module asks **"How do historic places, documents, and symbols represent the United States?"** Each worksheet adds one layer of the answer, so the teacher can move from word knowledge to deep thinking in order:

- **A · Vocabulary** — students first own the words of U.S. civic life (loyal, sovereignty, democracy, civic) and the words each selection uses (convention, delegates, domestic, welfare, posterity, independence, declaring, endowed, presented, broad, gritty, hoisted, ferry, monument, inspired, torch, sculptor). Without these words, students cannot describe how a nation represents itself.
- **B · Reading Comprehension** — students gather evidence from all four selections: a founding DOCUMENT (the Constitution), a national HOLIDAY/video (the Fourth of July), a SYMBOL born in battle (the flag), and a national MONUMENT (the Statue of Liberty). Genre and structure items (RI.3.5 / RI.3.6) prepare the thinking that Section C needs. All codes are RI (informational) — no RI.3.4, RI.3.7, or RL.3.7.
- **C · IB Critical Thinking** — students synthesize: they map the SYSTEM of three branches (Constitution), sort the VALUES of freedom/independence/democracy across the module, trace CHANGE over time in the Statue of Liberty, follow IDENTITY from cloth to symbol in The Flag Maker, and finally answer the EQ with two selections. The C activities grow straight out of the B evidence.
- **D · MAP Practice** — four NEW passages let students apply the same idea to symbols they have not studied here (the Liberty Bell, the bald eagle, Mount Rushmore, the national anthem), so the EQ becomes a transferable lens, not a single-text answer.

Teaching tip. If time is short, the EQ can be reached with Section A (words) + Section C Q5 (synthesis) alone — but Section B supplies the evidence that makes Q5 specific rather than generic.

How Every Item Is Grounded

Every item on this Answer Key traces to the Source-of-Truth JSON for G3 Module 3, built from the Teaching Pal OCR (3944 lines, 37 pages) and verified against the PDF intro spreads (every Critical Vocabulary panel was read from a 300dpi crop). No characters, words, or events outside the Source of Truth were added.

- **Vocabulary (Worksheet A):** all 21 words come from the module's Big Idea Words (4: loyal, sovereignty, democracy, civic) and the four "Critical Vocabulary" panels — The U.S. Constitution 5, Why We Celebrate the Fourth of July 4, The Flag Maker 3, Why Is the Statue of Liberty Green? 5. Each meaning is checked against the myBook inline definition. The teacher "Words for Using Context Clues / Multiple-Meaning Words" boxes are deliberately NOT counted as core vocabulary.
- **Terminology:** this G3 Teacher's Guide labels each panel "Critical Vocabulary," not "Power Words" — the workbook uses that exact label, matching the source.
- **Reading (Worksheet B):** all 32 items use only RI.3 codes (RI.3.1 / .2 / .3 / .5 / .6 / .8). The codes RI.3.4, RI.3.7, and RL.3.7 are intentionally not used (all four selections are informational / nonfiction). No "from-the-text" snippet boxes appear anywhere. Each correct answer is grounded in the Source of Truth; distractors are SoT-anchored, never invented.
- **Genre & credits:** The U.S. Constitution = Informational Text (Norman Pearl, illus. Matthew Skeens); Why We Celebrate the Fourth of July = Media: Informational VIDEO (no print byline — viewed, not read); The Flag Maker = Narrative Nonfiction (Susan Campbell Bartoletti, illus. Claire A. Nivola); Why Is the Statue of Liberty Green? = Narrative Nonfiction (Martha E. H. Rustad, illus. Holli Conger). Genres span three kinds — never labeled the same.
- **IB (Worksheet C):** the five PYP concepts — Systems, Beliefs and Values, Change over Time, Identity, Form — follow the Source-of-Truth ib_concepts mappings for this U.S.-history module. The Essential Question text on Q5 matches the workbook word for word.
- **MAP (Worksheet D):** four NEW passages (152 / 154 / 155 / 158 words), RIT 195→215, Lexile 420L–680L. None recall the four anchor selections; each applies the EQ to a fresh American symbol.
- **Answer balance:** 73 multiple-choice items distribute as 19 "A" / 18 "B" / 18 "C" / 18 "D", achieved by choice-order rotation only — every meaning is preserved from the Source of Truth.

What This Module Does NOT Contain (Guardrails)

- No "Power Words" label — the G3 source says "Critical Vocabulary."
- No Worksheet E — this workbook series uses four worksheets (A · B · C · D).
- The module epigraph "I love to see the starry flag..." is from the poem "Our Flag" by an UNKNOWN author. It is NOT attributed to any named person; the printed line is "from 'Our Flag' (Anonymous)."
- "American Places, American Ideals" is the Big-Idea Short Read (no Critical Vocabulary panel) and is excluded from the per-selection units; it carries the 4 Big Idea Words instead.
- The "Get Curious" opener video is "American Landmarks" — distinct from the in-body Media selection "Why We Celebrate the Fourth of July." The two videos are not merged.
- The "Use Your Words" selections (A LOL Story, Dear Primo, Adventures with Words, The Upside Down Boy, Dear Dragon) belong to the PREVIOUS module that bled onto the same Contents page — they are NOT part of Module 3.
- The teacher "Words for Using Context Clues / Multiple-Meaning Words" boxes (branches, amended, navy, ships, present, wind) are strategy-practice words, not student vocabulary items — they are not on Worksheet A.
- James Madison is the first-person NARRATOR/guide of The U.S. Constitution ("Father of the Constitution"). The "Lincoln was our 76th president" OCR slip (should be 16th) is NOT propagated.

Worksheet C — IB Critical Thinking · Answer Key

5 questions · PYP Key Concepts · DOK 2–4

Q1 Systems DOK 3

In **"The U.S. Constitution,"** show what each of the three branches does, then explain the "balance of power."

MODEL ANSWER

Legislative · Congress: The Legislative Branch is the Congress, which is divided into the House of Representatives and the Senate. Congress makes the nation's laws. It is headquartered in the Capitol. **Executive · President:** The Executive Branch is made up of the president, the vice president, and the people who help them. This branch carries out the laws. It is headquartered in the White House. **Judicial · Courts:** The Judicial Branch is the court system. Judges make sure the laws are carried out in the right way. It is headquartered in the Supreme Court, the highest court in the country. **Balance of power:** The articles divide the government into three branches so that no one branch can become stronger than the others. This is called a "balance of power" — every branch is equal. Because power is shared, no single person or group can control the whole government. That is why the Constitution is a symbol of democracy: the people, through three equal branches, rule themselves.

KEYWORDS (3)

Legislative = Congress makes laws

Executive = President carries them out · Judicial = courts

balance of power = all three equal

SCORING NOTES

- Full credit (3): all three branches named with one job each + an explanation of "balance of power" (no branch stronger).
- Partial (2): three branches named but "balance of power" not explained.
- Minimal (1): only "there are three branches" with no jobs.

TEACHING STEPS

Step 1 · Three buildings.

강사: *"Draw 3 buildings — Capitol / White House / Supreme Court. Label the branch each one houses."*

코멘트. 건물 3개 — Capitol·White House·Supreme Court. 각 건물이 어느 부(branch)인지 라벨.

Step 2 · One job each.

강사: *"Under each building, write ONE thing that branch does."*

코멘트. 각 건물 아래에 그 부가 하는 일 한 가지.

Step 3 · The scale.

강사: *"Draw the three on a balance scale to show they are equal — that is the 'balance of power.'"*

코멘트. 셋을 저울 위에 그려 평등함을 표현 — 그것이 '권력 균형'.

STUDENT PROMPTS

- "What might happen if ONE branch became much stronger than the others?"

한 부가 다른 부보다 훨씬 강해지면 어떻게 될까?

- "Why is it safer for power to be shared by three groups?"
  권력을 세 집단이 나눠 갖는 것이 왜 더 안전할까?
- "How is a 'balance of power' like sharing rules in a classroom?"

DIFFERENTIATION

STRUGGLING Match 3 word cards (laws / carries out laws / courts) to the 3 branch names.
단어 카드 3개를 세 부와 매칭.

ADVANCED Explain why the amendments (like the Bill of Rights) can change the system over time.
수정조항(권리장전)이 왜 제도를 바꿀 수 있는지 설명.

COMMON MISCONCEPTIONS

PITFALL "The president runs everything." No — power is split among three EQUAL branches.
대통령이 전부를 다스리는 게 아님 — 세 평등한 부로 나뉨.

PITFALL "The Constitution can never change." It has been amended 27 times.
헌법이 절대 안 바뀌는 게 아님 — 27번 수정됨.

LEARNER PROFILE LINK

KNOWLEDGEABLE Knowing how the three branches share power is being knowledgeable about systems.
세 부의 권력 분담을 아는 것 — Knowledgeable.

PRINCIPLED A fair system where no one rules alone reflects principled thinking.
누구도 혼자 다스리지 않는 공정한 제도 — Principled.

KOREAN BRIDGE

표현 "Every branch is equal — a balance of power." → "모든 부는 평등하다 — 권력의 균형."
시스템(Systems) 핵심 문장.

단어 "branch / 부(府) — balance of power / 권력 균형 — democracy / 민주주의"
핵심 단어 영-한.

Q2 Beliefs and Values DOK 2

Show THREE American ideals from the selections and where each one appears.

MODEL ANSWER

Freedom / Liberty (Why Is the Statue of Liberty Green?): The statue stands for freedom. Mrs. Bolt tells the class, "Liberty means freedom," and at the end asks, "What does freedom mean to you?" The whole monument is a symbol of liberty and welcome. **Independence (Why We Celebrate the Fourth of July):** The Fourth of July celebrates the day the colonies declared their independence from British rule. "Life, liberty, and the pursuit of happiness" are rights named in the Declaration of Independence. **Democracy (The U.S. Constitution):** The Constitution is "a symbol of democracy." The people run the government and choose their leaders by voting. **My choice:** Most students will pick one ideal and give a reason — for example, "Freedom feels most important to me because it means I can make my own choices." All three ideals are values Americans share, and each is shown through a place, a document, or a symbol.

KEYWORDS (3)

freedom/liberty = Statue of Liberty | independence = Fourth of July | democracy = the Constitution

SCORING NOTES

- Full credit (3): all three ideals named with the right selection + a personal pick with a reason.
- Partial (2): three ideals but no personal choice.
- Minimal (1): only "Americans like freedom" with no selections.

TEACHING STEPS

Step 1 · Three banners.

강사: *"Make 3 banners — Freedom / Independence / Democracy. Name the selection for each."*

코멘트. 현수막 3개 — 자유·독립·민주주의. 각각 어느 선택지인지.

Step 2 · One quote each.

강사: *"Under each banner, write ONE line from the module that shows that ideal."*

코멘트. 각 현수막 아래에 그 이상을 보여주는 모듈 속 문장 한 줄.

Step 3 · Star your value.

강사: *"Star the ideal you think matters most and write why."*

코멘트. 가장 중요하다고 보는 이상에 별표 + 이유.

STUDENT PROMPTS

- "Can a country have freedom without democracy? Why or why not?"
  민주주의 없이 자유가 있을 수 있을까? 왜?
- "Which ideal do you see in your OWN country?"
  네 나라에서는 어떤 이상이 보이니?
- "How is 'independence' different from 'freedom'?"
  '독립'은 '자유'와 어떻게 다를까?

DIFFERENTIATION

STRUGGLING Match 3 picture cards (statue / fireworks / voting box) to the 3 ideals.

그림 카드 3개를 세 이상과 매칭.

ADVANCED Add "loyalty" (loyal) from the Big Idea Words and explain where loyalty appears.

Big Idea 단어 'loyal(충성)' 추가 — 어디서 나타나는지 설명.

COMMON MISCONCEPTIONS

PITFALL "Freedom and independence mean exactly the same thing." Independence = a nation ruling itself; freedom = being able to make choices.

Q3 Change over Time DOK 3

In **"Why Is the Statue of Liberty Green?"** map the CHANGE from new to green, and tell what has NOT changed.

MODEL ANSWER

When new: The Statue of Liberty was coppery brown when it was new, because it is made of copper, "like a penny." **What caused the change:** Rain, wind, and the sun slowly changed the color of the copper over many years. (The experiment "Turn Pennies Green" in the selection shows the same thing happening to a penny.) **What color now:** Today the statue is green. **What stays the same:** Even though its COLOR changed, what the statue STANDS FOR has not changed. It is still a gift of friendship from France and still a symbol of freedom that welcomed new Americans arriving past Ellis Island. **So:** The outside of the statue changed slowly over time, but its meaning — freedom and welcome — has stayed the same. Things can look different as years pass and still keep the same important meaning.

KEYWORDS (3)

new = coppery brown | cause = rain, wind, sun → green | same = symbol of freedom

SCORING NOTES

- Full credit (3): brown → cause → green in order + what has NOT changed (its meaning/freedom).
- Partial (2): the color change is there but "what stays the same" is missing.
- Minimal (1): only "it turned green" with no cause.

TEACHING STEPS

Step 1 · Before and after.

강사: *"Color one statue brown (new) and one green (now). Label them."*

코멘트. 동상 하나는 갈색(새것), 하나는 초록(지금)으로 칠하고 라벨.

Step 2 · The arrow.

강사: *"Between them, write the cause: rain, wind, sun."*

코멘트. 둘 사이에 원인 — 비·바람·햇빛.

Step 3 · What stays.

강사: *"Below both, write what did NOT change — what the statue means."*

코멘트. 아래에 변하지 않은 것 — 동상의 의미.

STUDENT PROMPTS

- "Why did the copper change color so slowly instead of all at once?"
  구리가 왜 한 번에 안 변하고 천천히 변했을까?
- "Can something look different and still mean the same thing?"
  겉모습이 달라져도 같은 의미를 가질 수 있을까?
- "What is something near you that has changed over time but kept its meaning?"
  시간이 지나며 변했지만 의미는 그대로인 것이 주변에 있니?

DIFFERENTIATION

STRUGGLING Give two pictures (brown statue / green statue) and an arrow card "rain, wind, sun" to place between.

ADVANCED Explain how the "Turn Pennies Green" experiment proves Ranger Alisha's answer.

COMMON MISCONCEPTIONS

PITFALL "Someone painted it green." No — weather slowly changed the copper.

초록으로 칠한 게 아님 — 날씨가 구리를 서서히 변화시킴.

PITFALL "Because it changed color, it means something different now." Its meaning — freedom — stayed the same.

Q4 Identity DOK 3

In **"The Flag Maker,"** trace THREE steps that turn the flag into a symbol of the nation, and explain why it comes to stand for pride, courage, and hope.

MODEL ANSWER

Step 1 · The Order: During the War of 1812, three military officers come to the Pickersgills' flag shop and order an American flag for Fort McHenry. One officer says, "The flag must be so large that the British will have no trouble seeing it from a distance." The flag has to be huge. **Step 2 · The Work:** Caroline, her mother Mary, and their family cut broad red and white stripes, a large field of blue, and white cotton stars. "Day after day, they sewed stitch after stitch, red stripe after white stripe, star after star." It is long, hard work. **Step 3 · The Dawn:** The British attack Fort McHenry through the night. Caroline watches and waits. At dawn she sees her flag "hoisted high above the ramparts," still flying. The fort has held. **Why it stands for pride, courage, and hope:** The text says the flag was "sewn full of pride and courage and hope." Because a girl and her family worked so hard to make it, and because it survived the battle still flying, the flag is no longer just cloth — it becomes a symbol of a nation that does not give up. The flag carries the identity of the whole country: strong, brave, and hopeful.

KEYWORDS (3)

order = huge flag for Fort McHenry

work = stitch after stitch, star after star

dawn = flag still flying → pride, courage, hope

SCORING NOTES

- Full credit (3): three steps named with one detail each + why the flag stands for pride/courage/hope.
- Partial (2): three steps but no reflection on the symbol.
- Minimal (1): only "they made a flag" with no chain.

TEACHING STEPS

Step 1 · Three frames.

강사: *"Draw 3 comic frames — Order / Work / Dawn. Draw what happens in each."*

코멘트. 만화 3컷 — 주문·작업·새벽. 각 칸에 그림.

Step 2 · The hard work.

강사: *"Under the Work frame, write the repeated words that show effort (stitch after stitch...)."*

코멘트. 작업 칸 아래 — 노력 보여주는 반복 표현(stitch after stitch…).

Step 3 · Cloth to symbol.

강사: *"Write one sentence: 'The flag stands for ___ because ___.'"*

코멘트. 문장 하나 — '깃발은 ____를 상징한다, 왜냐하면 ____.'

STUDENT PROMPTS

- "Why does HARD work make the flag more meaningful?"
  힘든 작업이 왜 깃발을 더 의미 있게 만들까?
- "How is a flag different from any other piece of cloth?"
  깃발은 다른 천 조각과 어떻게 다를까?

- "What object stands for YOUR family or your school?"
  너의 가족이나 학교를 상징하는 물건은 무엇이니?

DIFFERENTIATION

STRUGGLING Provide 3 picture cards (officers / sewing / flag at dawn) and put them in order.

ADVANCED Connect this flag to "The Star-Spangled Banner" (Worksheet D, Passage 4): same fort, same dawn.

COMMON MISCONCEPTIONS

PITFALL "The flag mattered because it was pretty." It mattered because of the work, the courage, and that it survived the battle.
예뻐서가 아님 — 노력·용기·전투를 견딘 것 때문.

Q5 Form DOK 4

Essential Question: How do historic places, documents, and symbols represent the United States? Use ideas from TWO of the selections in this module to answer.

MODEL ANSWER

Historic places, documents, and symbols represent the United States by standing for the ideals Americans share. In **"The U.S. Constitution"** by Norman Pearl, a famous DOCUMENT represents the country. The Constitution is the plan for how the government works. It divides power among three equal branches so the people can rule themselves, which makes it "a symbol of democracy." The document represents the American idea that the people govern. In **"Why Is the Statue of Liberty Green?"** by Martha E. H. Rustad, a national SYMBOL and place represents the country. The Statue of Liberty was a gift of friendship from France. Even as rain, wind, and sun slowly turned it green, it kept its meaning — it is "a symbol of freedom" that welcomed new Americans past Ellis Island. **My Big Idea:** A document like the Constitution, a place like Liberty Island, and a symbol like the flag or the statue all carry the same big ideas — freedom, independence, and democracy. The FORM is different (a document, a monument, a flag), but each one lets people see and remember what the United States stands for.

KEYWORDS (3)

Constitution = document → democracy | Statue of Liberty = symbol → freedom | different forms, same ideals

SCORING NOTES

- Full credit (4): two selections named + what place/document/symbol each shows + what it REPRESENTS + a Big Idea linking form to the nation's ideals.
- Partial (3): two selections + evidence + Big Idea weak.
- Developing (2): one selection only.
- Minimal (1): generic ("America is free") without text evidence.

SYNTHESIS FRAME

SELECTION 1 EVIDENCE	CONNECTING WORD	SELECTION 2 EVIDENCE
One detail: Constitution = document/democracy; Fourth of July = holiday/independence; The Flag Maker = flag/courage; Statue of Liberty = monument/freedom.	AND / BOTH — joins two FORMS (a document and a symbol, a holiday and a monument) into one Big Idea about representing the nation.	One detail from a different selection than Selection 1 — so the two show two ways the U.S. is represented.

RUBRIC

LEVEL	WHAT IT LOOKS LIKE
Exceeding (4)	Names 2 selections + the place/document/symbol in each + what it REPRESENTS + a Big Idea linking different FORMS to the same national ideals (freedom, democracy, independence).
Meeting (3)	Names 2 selections + what each represents + a Big Idea.
Approaching (2)	Names 2 selections but only "they show America" — no specific form or evidence.
Beginning (1)	Generic ("America is free") without text evidence.

Watch out: Many G3 students will only retell a fact (the statue is green; the Constitution has three parts) and stop. Push them to name what the place/document/symbol REPRESENTS and WHY — a document for democracy (Constitution), a holiday for independence (Fourth of July), a flag for courage (The Flag Maker), a monument for freedom (Statue of Liberty). The full EQ needs how AND why something represents the nation, not just a fact.

TEACHING STEPS

Step 1 · Two selection cards.

강사: *"Pick 2 selections. For each, write the place, document, or symbol it shows."*

코멘트. 선택지 둘 — 각자 보여주는 장소·문서·상징 적기.

Step 2 · Name the form.

강사: *"Label each: is it a PLACE, a DOCUMENT, or a SYMBOL? What does it represent?"*

코멘트. 각각 분류 — 장소·문서·상징? 무엇을 대표하나?

Step 3 · Big Idea sentence.

강사: *"Write one sentence answering the EQ. Use both selections."*

코멘트. EQ에 답하는 한 문장 — 두 선택지 모두 사용.

STUDENT PROMPTS

- "Can a DOCUMENT and a STATUE both represent the same idea?"
  문서와 동상이 같은 생각을 대표할 수 있을까?
- "Which selection's symbol feels most powerful to YOU?"
  어느 선택지의 상징이 너에게 가장 강하게 느껴지니?
- "Why do nations need symbols at all?"
  나라에는 왜 상징이 필요할까?

DIFFERENTIATION

STRUGGLING Sentence frame: "In ____, the ____ represents ____. In ____, the ____ represents ____. They both show that ____."

3단 문장 골격.

ADVANCED Use THREE selections and sort them by FORM (place / document / symbol).

선택지 셋 사용 — 형태별 분류(장소·문서·상징).

COMMON MISCONCEPTIONS

PITFALL "Only a flag can be a symbol." A document (the Constitution) and a place (Liberty Island) represent the nation too.

깃발만 상징이 아님 — 문서와 장소도 나라를 대표함.

PITFALL "Retelling a fact answers the EQ." The EQ asks HOW and WHY something represents the nation, not just what it is.

사실 요약은 EQ 답이 아님 — '어떻게·왜' 대표하는지 물음.
