Module Overview

Essential Question: In what ways might a play be an effective way to tell a story?
Quote: "The play is not in the words. It's behind the words." — Stella Adler
Big Idea Words (4): audition, rehearse, ability, actor
Main Selections (workbook 4):

- The Saga of Pecos Bill · Anthony D. Fredericks (illus. Cory Gadbey) · Play / Tall Tale
- The Traveling Trio: Cesky Krumlov, Czech Republic · Media: Informational Video (viewed, not read)
- Gigi and the Wishing Ring · adapted from an Italian fairy tale (illus. Sumi Collina) · Play / Classic Tale
- Two Bear Cubs · Robert D. San Souci (illus. Helen Dardik) · Play / Myth

Note. The SoT lists 25 core vocabulary items on Worksheet A (4 Big Idea + 5 The Saga of Pecos Bill + 4 The Traveling Trio + 6 Gigi and the Wishing Ring + 6 Two Bear Cubs), in myBook page-order. This G3 Teacher's Guide labels each selection's panel "Critical Vocabulary" (the G3 equivalent of myBook "Power Words") — the string "Power Words" does not appear in the source. The teacher "Words for Using Context Clues / Multiple-Meaning / Shades of Meaning / Synonyms-Antonyms" boxes are NOT counted as core vocabulary. "That's Entertainment!" is the Big-Idea Short Read (no Critical Vocabulary panel) and carries the 4 Big Idea Words; it is excluded from the per-selection workbook units. Worksheet E is intentionally omitted — this workbook series uses 4 worksheets (A·B·C·D).

Answer Distribution (77 Multiple-Choice Items)

Verified counts across Worksheets A (25), B (32), and D (20). Worksheet C is open-response IB and not counted in MCQ balance.

A · 19 · B · 19 · C · 19 · D · 20

These four totals are the count of correct-answer LETTERS (A/B/C/D) across all 77 multiple-choice items — 19 answers are "A", 19 are "B", 19 are "C", 20 are "D". Balance enforced via choice-order rotation only; correct-answer meanings and option texts are preserved from the Source of Truth. All 25 SoT vocabulary words covered on Worksheet A in myBook page-order (Big Idea → The Saga of Pecos Bill → The Traveling Trio → Gigi and the Wishing Ring → Two Bear Cubs).

Voca Trap Items (Worksheet A)

4 of 25 = 16%, all flagged below. Trap pattern: polysemy / part-of-speech / near-distractor baits drawn from the natural meaning field of each word — no hallucination.

- Q5 **genuine** — near-field bait (kind / very large / brand new from a store) vs. "real and not pretend"
- Q9 **tame** — part-of-speech bait (B "a soft animal kept as a pet" is a noun, not the verb) vs. "make something wild become calm and under control"
- Q17 **deceive** — sound-alike bait (B "decide which one is right") vs. "tell a lie or make them believe something untrue"
- Q22 **burden** — setting-field bait (a bird / a mountain path / a place to rest) vs. "something that is heavy to carry"

Reading Trap Items (Worksheet B)

5 of 32 ≈ 16%, all flagged below. Trap pattern for Section B: cross-text confusion (four selections sharing a "stories on stage" frame — a tall-tale play, a theater video, a classic-tale play, a myth play), genre / point-of-view bait (printed play vs. informational video), and length-balanced correct answers so a longest-option-wins guess fails. Distractors built from SoT only — no hallucination.

- Q8 **tall-tale signal** — "helps the cowboys" / "travels west" / "Texas is big" (true but ordinary) vs. the impossible feats (30-foot snake rope, riding a tornado)
- Q15 **video vs. printed play genre** — "never shares facts" / "only animals" / "no narrator" bait vs. moving pictures + narrator + music + sound
- Q16 **Traveling Trio MAIN idea** — "largest castle" / "hard to travel" / "children should not visit" bait vs. clever off-stage tools bring a play to life

- Q24 **why Cat & Dog help** — "want the ring" / "Maliarda pays them" / "afraid of the Old Woman" bait vs. loyal friends
- Q32 **Two Bear Cubs THEME** — "big animals are most useful" / "berries are bad" / "never climb mountains" bait vs. you don't have to be big to do big things

How the Four Worksheets Build Toward the EQ

This module asks **"In what ways might a play be an effective way to tell a story?"** Each worksheet adds one layer of the answer, so the teacher can move from word knowledge to deep thinking in order:

- **A · Vocabulary** — students first own the words of the theater (audition, rehearse, ability, actor) and the words each play uses (genuine, saga, coiled, whirled, tame, Baroque, pulleys, backdrop, performance, eminent, peasant, stately, deceive, superior, merciful, greedily, hesitation, burden, unnoticed, drowsy, reassuring). Without these words, students cannot describe how a play tells its story.
- **B · Reading Comprehension** — students gather evidence from all four selections: a tall-tale PLAY (Pecos Bill), an informational VIDEO about a Baroque theater (The Traveling Trio), a classic-tale PLAY (Gigi), and a myth PLAY (Two Bear Cubs). Genre and structure items (RL.3.5 / RL.3.6) — cast lists, prologues, stage directions, "(To audience)" asides, multiple narrators — prepare the thinking that Section C needs. Codes span RL (the three plays) and RI (the informational video).
- **C · IB Critical Thinking** — students synthesize: they name the FORM of a play (Pecos Bill), trace the stagecraft that COMMUNICATES a story (The Traveling Trio), follow the VALUES/life lesson in Gigi, compare two CULTURES' storytelling (Pecos Bill vs. Two Bear Cubs), and finally answer the EQ with two selections. The C activities grow straight out of the B evidence.
- **D · MAP Practice** — four NEW passages let students apply the same idea to theater they have not studied here (a class play, shadow puppets, a stage crew, the ancient Greek theater), so the EQ becomes a transferable lens about how stories reach an audience, not a single-text answer.

Teaching tip. If time is short, the EQ can be reached with Section A (words) + Section C Q5 (synthesis) alone — but Section B supplies the evidence that makes Q5 specific rather than generic.

How Every Item Is Grounded

Every item on this Answer Key traces to the Source-of-Truth JSON for G3 Module 4, built from the Teaching Pal OCR (4081 lines, 34 pages) and verified against the PDF intro spreads (every Critical Vocabulary panel was read from a 350dpi crop). No characters, words, or events outside the Source of Truth were added.

- **Vocabulary (Worksheet A):** all 25 words come from the module's Big Idea Words (4: audition, rehearse, ability, actor) and the four "Critical Vocabulary" panels — The Saga of Pecos Bill 5, The Traveling Trio 4, Gigi and the Wishing Ring 6, Two Bear Cubs 6. Each meaning is checked against the myBook inline definition. The teacher "Words for Using ..." strategy boxes are deliberately NOT counted as core vocabulary.
- **Terminology:** this G3 Teacher's Guide labels each panel "Critical Vocabulary," not "Power Words" — the workbook uses that exact label, matching the source.
- **Reading (Worksheet B):** the 32 items use RL.3 codes for the three plays (RL.3.1 / .2 / .3 / .5 / .6) and RI.3 codes for the informational video (RI.3.2 / .3). Each correct answer is grounded in the Source of Truth; distractors are SoT-anchored, never invented.
- **Genre & credits:** The Saga of Pecos Bill = Play / Tall Tale (Anthony D. Fredericks, illus. Cory Gadbey); The Traveling Trio = Media: Informational VIDEO (no print byline — viewed, not read); Gigi and the Wishing Ring = Play / Classic Tale (adapted from an Italian fairy tale, illus. Sumi Collina); Two Bear Cubs = Play / Myth (Robert D. San Souci, illus. Helen Dardik). Three of the four are PLAYS; one is a video — never labeled the same.
- **IB (Worksheet C):** the PYP concepts — Form/Structure, Communication, Beliefs and Values, Culture/Tradition — follow the Source-of-Truth ib_concepts mappings for this DRAMA module. The Essential Question text on Q5 matches the workbook word for word.
- **MAP (Worksheet D):** four NEW passages (150 / 152 / 153 / 154 words), RIT 195→215, Lexile 410L–680L. None recall the four anchor selections; each applies the EQ to a fresh theater topic.
- **Answer balance:** 77 multiple-choice items distribute as 19 "A" / 19 "B" / 19 "C" / 20 "D", achieved by choice-order rotation only — every meaning is preserved from the Source of Truth.

What This Module Does NOT Contain (Guardrails)

- No "Power Words" label — the G3 source says "Critical Vocabulary."
- No Worksheet E — this workbook series uses four worksheets (A · B · C · D).
- The module epigraph "The play is not in the words. It's behind the words." IS by a NAMED person, Stella Adler. It is NOT anonymous.
- "That's Entertainment!" is the Big-Idea Short Read (an opinion review of the play Peter Pan, no Critical Vocabulary panel) and is excluded from the per-selection units; it carries the 4 Big Idea Words instead. Peter Pan / J. M. Barrie / Captain Hook are the subject of that review, not characters of an HMH story.
- The "Get Curious" opener video is "Auditions" — distinct from the in-body Media selection "The Traveling Trio: Cesky Krumlov, Czech Republic." The two videos are not merged.
- The printed Contents page also shows the NEXT module 5 "Teamwork" (Soccer Shootout, Bend It Like Bianca, Running Rivals, Brothers at Bat) — those are NOT part of Module 4.
- The teacher "Words for Using ..." boxes (Pecos Bill: fine, state; Gigi: tasty/delicious/mouth-watering, cold/freezing; Two Bear Cubs: succeeded/failed, afraid/scared) are strategy-practice words, not student vocabulary items — they are not on Worksheet A.
- Cast/structure facts kept straight: Pecos Bill has FOUR narrators in one long scene; Gigi has ONE Narrator across Act I (Sc.1–2) and Act II (Sc.3–4); Two Bear Cubs has a "Storyteller" with a Prologue plus scenes. The mountain in Two Bear Cubs is Tu-tok-a-nu-la (today El Capitan); the heroic worm is Measuring Worm / Tu-tok-a-na.

Worksheet C — IB Critical Thinking · Answer Key

5 questions · PYP Key Concepts · DOK 2–4

Q1 Form / Structure DOK 3

In **"The Saga of Pecos Bill,"** show THREE parts of the play's FORM and what each one does for the reader, then explain why FOUR narrators make this tall tale fun.

MODEL ANSWER

Cast of Characters: Before the dialogue starts, the play lists the cast — Narrator 1–4, Pa, Ma, Cowboy 1, Cowboy 2, Pecos Bill, Mountain Lion. This tells the reader (and the actors) WHO is in the play before it begins. **Staging Note:** A staging note says the four narrators sit on stools with their scripts on stands. This tells the reader HOW to set up the stage. **Lines of Dialogue:** The story is told through lines of dialogue — each character's name is printed, then the words they say. This is how a play moves the plot forward, instead of a paragraph of narration. **Why four narrators are fun:** Because four narrators trade the story back and forth in a relaxed, old-timey cowboy voice ("Now as you all know, Texas is a pretty big state..."), their lines sound like a lively conversation, almost like friends swapping a story. The hand-offs keep the tall tale moving quickly and let the exaggeration (a 30-foot snake, riding a tornado) land like a shared joke. The FORM of the play makes the tall tale an exciting way to tell the story.

KEYWORDS (3)

cast of characters = who is in the play

staging note = how to set up the stage

dialogue = how the plot is told · 4 narrators = lively conversation

SCORING NOTES

- Full credit (3): all three FORM parts named with one job each + an explanation of why four narrators are fun (lively conversation / fast hand-offs).
- Partial (2): three parts named but no explanation of the four narrators.
- Minimal (1): only "it is a play" with no parts.

TEACHING STEPS

Step 1 · Find the top of the script.

강사: *"Point to the cast list and the staging note. Who? Where?"*

코멘트. 대본 맨 위 — 등장인물 목록과 무대 설명을 짚기. 누가? 어디서?

Step 2 · One job each.

강사: *"Write ONE thing each part does: names who / sets the stage / tells the story."*

코멘트. 각 부분이 하는 일 한 가지 — 인물 소개 / 무대 설정 / 이야기 전달.

Step 3 · Read it aloud.

강사: *"Have 4 students read Narrator 1–4. Ask: does it sound like a conversation?"*

코멘트. 학생 4명이 내레이터 1–4 낭독 — 대화처럼 들리는지 묻기.

STUDENT PROMPTS

- "Why does a play list the characters BEFORE the story starts?"

왜 이야기 시작 전에 등장인물을 먼저 적을까?

- "How would the tall tale feel with only ONE narrator?"
  내레이터가 한 명뿐이면 이 이야기는 어떤 느낌일까?
- "Which narrator's line made you smile, and why?"
  어느 내레이터의 대사가 웃음을 줬니? 왜?

DIFFERENTIATION

STRUGGLING Match 3 cards (cast list / staging note / dialogue) to "who / where / the story."

ADVANCED Compare this play's FORM (one long scene, 4 narrators) with Gigi's (acts and scenes, 1 narrator).
이 극의 형식(한 장면·4내레이터)과 Gigi(막·장·1내레이터) 비교.

COMMON MISCONCEPTIONS

PITFALL "The cast list is part of the story." No — it is a FORM feature that comes before the dialogue.
등장인물 목록은 이야기 본문이 아님 — 대사 전에 오는 형식 요소.

PITFALL "Four narrators means four cowboys." No — the four are storytellers, not characters in the action.
내레이터 4명 = 카우보이 4명이 아님 — 이야기를 들려주는 화자.

핵심 단어 영-한.

Q2 Communication DOK 3

In **"The Traveling Trio,"** an old theater uses off-stage tools to bring a play to life. Show THREE tools and what each one helps the audience see, hear, or believe.

MODEL ANSWER

Trapdoors: Trapdoors in the stage floor let actors appear and disappear suddenly, so the audience BELIEVES a character has vanished by magic. **Pulleys & levers:** Stagehands stayed under the stage and worked pulleys and levers "to make things happen on the stage" — they move scenery and props so the audience SEES the world of the play change. **Sound devices:** A wooden device with jagged wheels made the sound of thunder, so the audience HEARS a storm even on a sunny day. **Backdrop:** A painted backdrop is a curtain or wall that shows the setting, so the audience SEES where the scene takes place (a forest, a castle). **Why they are effective:** These tools all work OFF stage, but they shape what the audience sees, hears, and believes. Because the theater can show a vanishing, a storm, and a faraway place without saying a word, the stagecraft makes a play a powerful, believable way to tell a story.

KEYWORDS (3)

trapdoors = appear/disappear (believe) · pulleys & levers = move scenery (see) · sound devices = thunder (hear) · backdrop = setting

SCORING NOTES

- Full credit (3): three off-stage tools named with what each lets the audience see/hear/believe + why stagecraft is effective.
- Partial (2): three tools named but no see/hear/believe effect.
- Minimal (1): only "they used machines" with no example.

TEACHING STEPS

Step 1 · List the tools.

강사: *"From the video, name the off-stage tools: trapdoors, pulleys/levers, sound device, backdrop."*

코멘트. 영상 속 무대 뒤 도구 적기 — 트랩도어, 도르래/지렛대, 음향 장치, 배경막.

Step 2 · See / hear / believe.

코멘트. 각 도구 옆에 — 보게/듣게/믿게 하는지 표시.

Step 3 · One sentence.

강사: *"Write: 'Off-stage tools are effective because ____.'"*

코멘트. 문장 하나 — '무대 뒤 도구가 효과적인 이유는 ____.'

STUDENT PROMPTS

Q3 Beliefs and Values DOK 3

In **"Gigi and the Wishing Ring,"** trace THREE steps that lead Gigi to the lesson "you only get from people what you give."

MODEL ANSWER

Step 1 · Kindness: Gigi is kind to the Old Woman, so she gives him a cat, a dog, and a magic wishing ring. Because he GAVE kindness, he GOT help in return. **Step 2 · The Lie:** Gigi breaks the rule and tells Maliarda about the ring, trying to seem grand. Maliarda lies right back — she deceives him, puts on the ring, and wishes him to the top of the highest mountain. Because he GAVE a lie, he GOT a lie. **Step 3 · Loyalty:** His loyal animals, Cat and Dog, do whatever it takes to save him. They send Mouse under the door to take back the ring and wish Gigi home. Because Gigi GAVE them love and care, they GIVE him loyalty. **What the lesson means:** Gigi himself says, "You do get from people what you give to people. I was kind to the old woman, and she was kind to me... when I lied to Maliarda, she lied to me." In your own words: the way you treat others is the way they will treat you — give kindness and you get kindness; give a lie and you get a lie. The play dramatizes this VALUE through the magic ring and the talking animals.

KEYWORDS (3)

kindness = ring from the Old Woman | lie = Maliarda deceives him back | loyalty = Cat & Dog rescue him

SCORING NOTES

- Full credit (3): all three steps (kindness → lie → loyalty) with the give/get pattern + the lesson in the student's own words.
- Partial (2): three steps but the lesson not restated.
- Minimal (1): only "be nice" with no steps from the play.

TEACHING STEPS

Step 1 · Give and get chart.

강사: *"Make two columns — GAVE / GOT. Fill in each step of the play."*

코멘트. 두 칸 — 준 것 / 받은 것. 극의 각 단계 채우기.

Step 2 · Three steps in order.

강사: *"Number the steps: kindness, the lie, loyalty. What does each one earn?"*

코멘트. 세 단계 번호 — 친절·거짓말·충성. 각 단계가 무엇을 부르나?

Step 3 · Say the lesson.

강사: *"Write Gigi's lesson in your OWN words, not a copy."*

코멘트. Gigi의 교훈을 자기 말로 — 베끼지 말고.

STUDENT PROMPTS

- "Why did Gigi's lie come back to hurt him?"
  Gigi의 거짓말이 왜 부메랑처럼 돌아왔을까?
- "Have you ever GOT back exactly what you GAVE?"
  준 것을 그대로 돌려받은 적이 있니?
- "Why do the animals stay loyal even after Gigi's mistake?"

Gigi가 실수했는데도 동물들은 왜 끝까지 충성할까?

DIFFERENTIATION

STRUGGLING Give 3 picture cards (ring / Maliarda / Cat & Dog) and put them in story order.

그림 카드 3장 — 이야기 순서 배열.

ADVANCED Explain how the stage direction "(To audience)" lets us know Maliarda is lying before Gigi does.

COMMON MISCONCEPTIONS

PITFALL "The lesson is that magic rings are dangerous." No — the lesson is about how you treat people.

교훈은 '마법 반지가 위험하다'가 아님 — 사람을 어떻게 대하느냐임.

PITFALL "Gigi lost the ring because he was unlucky." No — he lost it because he broke the rule and lied.

Q4 Culture / Tradition DOK 3

Each play comes from a different storytelling tradition. Compare HOW two plays from different cultures — **Pecos Bill** (American tall tale) and **Two Bear Cubs** (Miwok myth) — tell their stories on stage.

MODEL ANSWER

Pecos Bill · American Tall Tale: This play uses FOUR narrators in one long scene who tell Bill's story in a funny, exaggerated, old-timey cowboy voice. Tall tales use hyperbole — a baby who wrestles a grizzly, a snake whirled into a 30-foot rope, a hero who rides a tornado. The humor and the bragging voice are how an American tall tale is told. **Two Bear Cubs · Miwok Myth:** This play uses a single "Storyteller" and a Prologue to frame a Native American origin myth. The Storyteller says "My people" share this story. The tone is more serious and respectful, and the animals (Hawk, Mountain Lion, Measuring Worm) act out the events. **What each play explains:** A tall tale playfully "explains" the wide-open American West — how big and wild Texas is, told through Bill's giant deeds. The Miwok myth explains how a real mountain, Tu-tok-a-nu-la (today called El Capitan), got its name — to honor the tiny worm who saved the cubs. **So:** Both are PLAYS with narrators, but each culture tells its story its own way — the tall tale with humor and exaggeration, the myth with a respectful Storyteller — and each uses the stage to "explain" something about its world.

KEYWORDS (3)

tall tale = 4 narrators, humor, hyperbole

myth = Storyteller, prologue, respectful

each explains: the West / a mountain's name

SCORING NOTES

- Full credit (3): how EACH play tells its story (narrators/voice) + what each "explains" (the West / El Capitan's name).
- Partial (2): both described but only one "explains" idea.
- Minimal (1): only "both are plays" with no culture difference.

TEACHING STEPS

Step 1 · Two columns.

강사: *"Make a T-chart: Pecos Bill / Two Bear Cubs. Note who narrates each."*

코멘트. T-차트 — Pecos Bill / Two Bear Cubs. 각 화자 적기.

Step 2 · Tone words.

강사: *"For each, write one tone word: funny/bragging vs. serious/respectful."*

코멘트. 각각 분위기 단어 — 웃긴·허풍 vs. 진지·존중.

Step 3 · What it explains.

강사: *"Finish: 'This play explains ___ about the world.'"*

코멘트. 문장 완성 — '이 극은 세상에 대해 ____를 설명한다.'

STUDENT PROMPTS

- "Why might a tall tale use a funny voice but a myth use a serious one?"
  왜 톨테일은 웃긴 말투, 신화는 진지한 말투를 쓸까?
- "What story from YOUR culture explains how something came to be?"
  너의 문화에서 무언가의 유래를 설명하는 이야기가 있니?

- "How does a Storyteller change the way a myth feels?"
  'Storyteller'는 신화의 느낌을 어떻게 바꿀까?

DIFFERENTIATION

STRUGGLING Match 2 cards ("rides a tornado" / "names a mountain") to the right play.

카드 2장을 알맞은 극과 매칭.

ADVANCED Add Gigi (Italian classic tale) as a third culture and compare its single Narrator.

Gigi(이탈리아 고전)를 세 번째 문화로 추가 — 단일 내레이터 비교.

COMMON MISCONCEPTIONS

PITFALL "A tall tale and a myth are the same thing." Both explain the world, but a tall tale exaggerates for fun; a myth is a culture's serious origin story.

톨테일과 신화는 같지 않음 — 톨테일은 재미로 과장, 신화는 진지한 유래 이야기.

PITFALL "El Capitan is just a made-up name." In the play it is the Miwok name Tu-tok-a-nu-la; newcomers later called it El Capitan.

엘 캐피탄은 지어낸 이름이 아님 — 미욱 이름 Tu-tok-a-nu-la를 이후 사람들이 그렇게 부름.

LEARNER PROFILE LINK

OPEN-MINDED Seeing that different cultures tell stories differently is open-minded thinking.

문화마다 이야기 방식이 다름을 보기 — Open-minded.

KNOWLEDGEABLE Knowing what a tall tale and a myth each "explain" is being knowledgeable.

톨테일·신화가 각각 무엇을 설명하는지 아는 것 — Knowledgeable.

KOREAN BRIDGE

Q5 Communication / Expression DOK 4

Essential Question: In what ways might a play be an effective way to tell a story? Use ideas from TWO of the selections in this module to answer.

MODEL ANSWER

A play is an effective way to tell a story because the parts of a play — narrators, dialogue, stage directions, and staging — let an audience SEE and HEAR the story happen, not just read it. In **"The Saga of Pecos Bill,"** FOUR narrators tell the tall tale in a lively, joking voice, trading lines like a real conversation. Their hand-offs keep the exaggerated story (a 30-foot snake rope, riding a tornado) moving fast and funny, so the audience feels like they are hearing a story around a campfire. In **"Gigi and the Wishing Ring,"** a STAGE DIRECTION makes the play powerful: when Maliarda turns "(To audience)" and says, "If he is a lord, I am the Queen of England!", the audience learns she is lying BEFORE Gigi does. That secret, shared straight with the audience, builds suspense that a plain retelling could not. **My Big Idea:** Different plays use different parts — Pecos Bill leans on narrators and a funny voice, Gigi leans on dialogue and a "to the audience" aside — but both use the FORM of drama to pull the audience into the story. A play is effective because it does not just tell you what happened; it lets you watch and hear it unfold on stage.

KEYWORDS (3)

Pecos Bill = narrators + lively voice

Gigi = stage direction "(To audience)" aside

different parts, same goal: pull the audience in

SCORING NOTES

- Full credit (4): two selections named + the part of a play each one uses (narrator / dialogue / stage direction / staging) + WHY it is effective + a Big Idea answering the EQ.
- Partial (3): two selections + parts + Big Idea weak.
- Developing (2): one selection only.
- Minimal (1): generic ("plays are fun") without naming a part of a play.

SYNTHESIS FRAME

SELECTION 1 PART

Name the part of a play it uses: Pecos Bill = four narrators / lively voice; The Traveling Trio = stagecraft (off-stage tools); Gigi = "(To audience)" aside / dialogue; Two Bear Cubs = Storyteller + prologue.

CONNECTING WORD

BOTH / AND — joins two PARTS of drama (narrators and a stage direction, dialogue and staging) into one Big Idea about pulling the audience into the story.

SELECTION 2 PART

A part from a DIFFERENT selection than Selection 1 — so the two show two ways a play tells a story effectively.

REAL-WORLD CONNECTION

KOREA 학교 학예회나 마당놀이도 내레이터·대사·무대 장치로 이야기를 전한다 — Pecos Bill의 내레이터, Gigi의 방백처럼.

내가 본 연극이나 공연에서 '관객을 끌어들인' 장면 하나 떠올리기.

PERSONAL If YOU put on a play, which part (a narrator, a funny voice, a secret told to the audience) would you use?

내가 연극을 만든다면 어떤 요소를 쓸까 — 내레이터·말투·방백?

RUBRIC

LEVEL	WHAT IT LOOKS LIKE
Exceeding (4)	Names 2 selections + the PART of a play each uses (narrator / dialogue / stage direction / staging) + WHY it makes the story effective + a Big Idea answering the EQ.
Meeting (3)	Names 2 selections + a part of a play in each + a Big Idea.
Approaching (2)	Names 2 selections but only retells the plot — no part of a play named.
Beginning (1)	Generic ("plays are fun to watch") without text evidence.

Watch out: Many G3 students will just retell what happened (Bill rides a tornado; Maliarda steals the ring) and stop. Push them to name the PART of a play that makes it effective — narrators and a lively voice (Pecos Bill), off-stage stagecraft (The Traveling Trio), a "(To audience)" aside (Gigi), a Storyteller's prologue (Two Bear Cubs) — and to say WHY that part pulls the audience in. The full EQ needs how a PLAY tells the story, not just what the story is.

TEACHING STEPS

Step 1 · Two selection cards.

강사: *"Pick 2 selections. For each, write the part of a play it uses."*

코멘트. 선택지 둘 — 각자 쓰는 '극의 요소' 적기.

Step 2 · Why effective.

강사: *"Under each, write WHY that part pulls the audience into the story."*

코멘트. 각각 아래 — 그 요소가 왜 관객을 끌어들이는지.

Step 3 · Big Idea sentence.

강사: *"Write one sentence answering the EQ. Use both selections."*

코멘트. EQ에 답하는 한 문장 — 두 선택지 모두 사용.

STUDENT PROMPTS

- "Can a narrator and a stage direction both make a play effective?"
  내레이터와 무대 지시 둘 다 극을 효과적으로 만들 수 있을까?
- "Which selection's storytelling pulled YOU in the most?"
  어느 선택지의 이야기 방식이 너를 가장 끌어들였니?
- "Why is watching a play different from just reading the same story?"
  연극을 보는 것이 같은 이야기를 그냥 읽는 것과 왜 다를까?

DIFFERENTIATION

STRUGGLING Sentence frame: "In ___, the ___ makes the story effective. In ___, the ___ makes the story effective. Both show that a play ___."

3단 문장 골격.

ADVANCED Use THREE selections and sort them by the part of a play each leans on (narrators / staging / dialogue).

선택지 셋 사용 — 요소별 분류(내레이터·무대·대사).

COMMON MISCONCEPTIONS

PITFALL "Only the words matter in a play." Stage directions, narrators, and staging matter just as much — as Stella Adler's quote says, the play is "behind the words."

대사만 중요한 게 아님 — 무대 지시·내레이터·연출도 중요(스텔라 애들러 인용).

PITFALL "Retelling the plot answers the EQ." The EQ asks HOW a play tells the story, not just what happens.

줄거리 요약은 EQ 답이 아님 — '연극이 어떻게' 이야기하는지 물음.

LEARNER PROFILE LINK

THINKERS Synthesizing two selections into one Big Idea about drama is the heart of critical thinking.

두 선택지를 한 Big Idea로 종합 — Thinker.

COMMUNICATORS Explaining how a play communicates a story makes you a communicator.
