3 Synonyms, Antonyms & Pairs

Set 1 · Story 1. Why Go West? · Part 3 of 6

CCSS L.5.4 · L.5.5 · L.5.6

Directions. Items 1-6: choose the SYNONYM (same meaning). Items 7-11: choose the ANTONYM (opposite). Items 12-15: choose the example that FITS the word.

Q1 L.5.5

SAME Choose the synonym of **referred to as**:

○ **A.** covered with ○ **B.** known as ○ **C.** filled with ○ **D.** made of

Q2 L.5.5

SAME Choose the synonym of **crowded**:

○ **A.** bitter ○ **B.** silky ○ **C.** packed ○ **D.** shady

Q3 L.5.5

SAME Choose the synonym of **claim**:

○ **A.** seize ○ **B.** sing ○ **C.** pour ○ **D.** bend

Q4 L.5.5

SAME Choose the synonym of **justify**:

○ **A.** stack ○ **B.** whisper ○ **C.** melt ○ **D.** excuse

Q5 L.5.5

SAME Choose the synonym of **dispute**:

○ **A.** quarrel ○ **B.** biscuit ○ **C.** blanket ○ **D.** marble

Q6 L.5.5

SAME Choose the synonym of **seeking**:

○ **A.** laughing at ○ **B.** searching for ○ **C.** hiding from ○ **D.** sitting on

Q7 L.5.5

OPPOSITE Choose the antonym of **native**:

○ **A.** foreign ○ **B.** rusty ○ **C.** plastic ○ **D.** sleepy

Q8 L.5.5

OPPOSITE Choose the antonym of **majority**:

◯ **A.** window ◯ **B.** ladder ◯ **C.** minority ◯ **D.** pebble

Q9 L.5.5

OPPOSITE Choose the antonym of **double**:

◯ **A.** sneeze ◯ **B.** borrow ◯ **C.** whistle ◯ **D.** halve

Q10 L.5.5

OPPOSITE Choose the antonym of **epic**:

◯ **A.** ordinary ◯ **B.** fuzzy ◯ **C.** salty ◯ **D.** juicy

Q11 L.5.5

OPPOSITE Choose the antonym of **victory**:

◯ **A.** cushion ◯ **B.** feather ◯ **C.** picnic ◯ **D.** defeat

Q12 L.5.5

GOES WITH Choose the example that fits **make way for**:

◯ **A.** cars speeding up to race past a slow bus ◯ **B.** cars pulling to the side so a fire truck can pass

◯ **C.** drivers honking while they wait at a red light ◯ **D.** a truck parking across the road to block traffic

Q13 L.5.5

GOES WITH Choose the example that fits **enslaved**:

◯ **A.** settlers who chose to move west to start farms

◯ **B.** merchants who ran their own shops in the 1850s ◯ **C.** people held in bondage before the Civil War

◯ **D.** travelers who rode a stagecoach to visit family

Q14 L.5.5

GOES WITH Choose the example that fits **midland**:

◯ **A.** the western beaches next to the Pacific Ocean

◯ **B.** the far southern tip, surrounded by warm seas ◯ **C.** the central states, far from both oceans

◯ **D.** the eastern cities along the Atlantic coast

Q15 L.5.5

GOES WITH Choose the example that fits **treaty**:

- ◯ **A.** a signed peace deal that ends a war between two nations
- ◯ **B.** a speech that a president gives to cheer up soldiers
- ◯ **C.** a battle plan that a general draws up for his army
- ◯ **D.** a flag that soldiers carry proudly into the battle

4 Read & Infer

Set 1 · Story 1. Why Go West? · Part 4 of 6

CCSS RI.5.4 · L.5.4

Directions. Read each short passage. Choose the best meaning of the bold word as it is used.

Q1 RI.5.4

The first people to live in the West were Indigenous people. Indigenous people, **referred to as** Native Americans or American Indians, were the first to live on that land.

What does **referred to as** mean here?

- ○ **A.** to be born in a place
- ○ **B.** to be called by a certain name
- ○ **C.** to be sent to a new place
- ○ **D.** to be chosen as a leader

Q2 RI.5.4

Over time, more people came to America. They were not **native** to the land.

What does **native** mean here?

- ○ **A.** very old
- ○ **B.** very far away
- ○ **C.** visiting a place for a short time
- ○ **D.** born in or first coming from a certain place

Q3 RI.5.4

Many new Americans arrived over time. At first, the **majority** of them lived in the eastern part of the country.

What does **majority** mean here?

- ○ **A.** the oldest people in a group
- ○ **B.** the larger part of a group, more than half
- ○ **C.** the part of a group that is exactly half
- ○ **D.** the leader of a group

Q4 RI.5.4

The government wanted the land for settlers. To **make way for** settlers, the U.S. government removed many Native Americans from their homelands.

What does **make way for** mean here?

- ○ **A.** to move aside or clear space so something else can come
- ○ **B.** to build a road for
- ○ **C.** to say goodbye to
- ○ **D.** to give directions to

Q5 RI.5.4

Not everyone chose to go west. Many **enslaved** people were forced to move when slaveholders decided to move west.

What does **enslaved** mean here?

- ○ **A.** moving to a new city
- ○ **B.** forced to work for someone else without pay or freedom
- ○ **C.** paid well for hard work
- ○ **D.** living on a farm

Q6 RI.5.4

More and more people lived in the East. As the East got **crowded**, people looked to the American midland for land.

What does **crowded** mean here?

- ○ **A.** very quiet and calm
- ○ **B.** very far away
- ○ **C.** very cold
- ○ **D.** full of too many people or things

Q7 RI.5.4

As the East got crowded, people needed more room. They looked to the American **midland** for land for new farms and settlements.

What does **midland** mean here?

- ○ **A.** the middle part of a country
- ○ **B.** the edge of a country by the sea
- ○ **C.** a new town
- ○ **D.** a large farm

Q8 RI.5.4

In 1803, President Thomas Jefferson signed the Louisiana Purchase. It was a deal that gave the United States enough land to **double** its size!

What does **double** mean here?

- ○ **A.** to buy land
- ○ **B.** to grow a little bit
- ○ **C.** to become or make twice as large
- ○ **D.** to sign a deal

Q9 RI.5.4

The Louisiana Purchase doubled the size of the country. As a result, people rushed to make the **epic** journey westward to claim free or cheap land.

What does **epic** mean here?

- ○ **A.** very scary
- ○ **B.** very long, hard, and impressive
- ○ **C.** very cheap
- ○ **D.** very famous

Q10 RI.5.4

In 1803, the Louisiana Purchase added a huge amount of land. As a result, people rushed west to **claim** free or cheap land.

What does **claim** mean here?

- ○ **A.** to plant crops
- ○ **B.** to travel west
- ○ **C.** to sell something to someone
- ○ **D.** to say that something belongs to you and take it

Q11 RI.5.4

Many people believed the United States should stretch from ocean to ocean. The U.S. government used that idea to **justify** taking land from Native Americans.

What does **justify** mean here?

- ○ **A.** to measure something
- ○ **B.** to sign a deal
- ○ **C.** to forget why something happened
- ○ **D.** to give a reason to show that something is right

Q12 RI.5.4

Relations between Mexico and the United States became strained due to a border **dispute**. In May 1846, the U.S. Congress declared war on Mexico.

What does **dispute** mean here?

- **A.** an argument or disagreement
- **B.** a long journey
- **C.** a type of map
- **D.** a friendly visit

Q13 RI.5.4

The Mexican-American War lasted about two years. The **Treaty** of Guadalupe Hidalgo officially ended the war and forced Mexico to give up much of its northern land.

What does **treaty** mean here?

- **A.** a war between countries
- **B.** a map of a country
- **C.** a written agreement between countries
- **D.** a letter between friends

Q14 RI.5.4

The United States gained a huge amount of land. The Mexican Cession was seen as a **victory** by the U.S. government because it increased the size of the United States by almost 25 percent.

What does **victory** mean here?

- **A.** a tie in a game
- **B.** a win or success, especially over an opponent or a challenge
- **C.** a long war
- **D.** a new border

Q15 RI.5.4

More and more people moved west. People packed up and traveled west, **seeking** land and a better life.

What does **seeking** mean here?

- **A.** to give something away
- **B.** to travel
- **C.** to look for or try to get something
- **D.** to pack up

4 Read & Infer

Set 2 · Story 2. Explore the Wild West! · Part 4 of 6

CCSS RI.5.4 · L.5.4

Directions. Read each short passage. Choose the best meaning of the bold word as it is used.

Q1 RI.5.4

The Wild West was a time of pioneers, cowboys, and Native Americans. It was a time of stagecoaches, saloons, **outlaws** and lawmen, and bank robbers.

What does **outlaws** mean here?

- ○ **A.** people who sell goods in a small store
- ○ **B.** people who make the rules for a town
- ○ **C.** people who have broken the law and are running from it
- ○ **D.** people who ride in stagecoaches across the West

Q2 RI.5.4

The original American **frontier** was the Mississippi River. But the **frontier** pushed west towards the Pacific Ocean.

What does **frontier** mean here?

- ○ **A.** the oldest and busiest part of a big city
- ○ **B.** the edge of the settled land, where the wild land begins
- ○ **C.** a large river that runs through the middle of a country
- ○ **D.** a kind of map drawn by explorers

Q3 RI.5.4

The frontier pushed toward the Pacific Ocean. Tens of thousands of people moved **westward**.

What does **westward** mean here?

- ○ **A.** toward the ocean on a fast ship
- ○ **B.** toward the direction where the sun sets
- ○ **C.** toward the center of the country
- ○ **D.** toward the top of a tall hill

Q4 RI.5.4

Lewis and Clark kept **detailed** journals of the plants and animals they discovered. They wrote about the Native Americans they met.

What does **detailed** mean here?

- **A.** written during a long trip across the land
- **B.** very old and hard to read
- **C.** including many small facts and exact pieces of information
- **D.** written very neatly and carefully by hand

Q5 RI.5.4

Fur traders, often called mountain men, went west along the Oregon Trail. These men **trapped** beaver and other small animals.

What does **trapped** mean here?

- **A.** to feed an animal by hand
- **B.** to catch an animal with a device that holds it so it cannot escape
- **C.** to trade animal skins for steel knives
- **D.** to scare an animal away from a camp

Q6 RI.5.4

Mountain men used their **knowledge** of the land to guide soldiers and explorers. Later, many Native Americans shared their **knowledge** of the best places to cross rivers.

What does **knowledge** mean here?

- **A.** a strong feeling that something is true without any proof
- **B.** the power to lead soldiers into battle
- **C.** the money a person saves for the future
- **D.** the facts and understanding that a person has learned

Q7 RI.5.4

The trails and **posts** used by explorers and mountain men guided the pioneers. Trading **posts** along the way sold some food and other items, but everything was expensive.

What does **posts** mean here?

- **A.** the trails made by explorers and mountain men
- **B.** the letters left under rocks along a trail
- **C.** the forts or stopping places on a trail where travelers bought supplies
- **D.** the camps where soldiers trained for battle

Q8 RI.5.4

Newspaper **advertisements** made the West sound amazing. They encouraged many people in the eastern United States to move.

What does **advertisements** mean here?

- ○ **A.** paid notices in newspapers that try to get people to buy or do something
- ○ **B.** letters that settlers sent home to their families
- ○ **C.** news stories that report exactly what happened
- ○ **D.** maps that show the roads to the West

Q9 RI.5.4

Newspaper reports made the West sound amazing. Often these reports did not give a complete picture of the daily **hardships** of western life.

What does **hardships** mean here?

- ○ **A.** difficult conditions that make life painful or hard to bear
- ○ **B.** rewards for working hard on a farm
- ○ **C.** reports that make a place sound amazing
- ○ **D.** tasks that take a lot of time but are fun

Q10 RI.5.4

Some pioneers dreamed of owning their own farm. Others moved west for **patriotic** reasons; they believed that it was good for America to settle all of its land.

What does **patriotic** mean here?

- ○ **A.** wanting to own a large farm in the West
- ○ **B.** showing love for your country and loyalty to it
- ○ **C.** showing love for your family and your hometown
- ○ **D.** eager to travel to faraway places

Q11 RI.5.4

A pioneer wagon was light and small. The wagon had a **waterproof** canvas cover.

What does **waterproof** mean here?

- ○ **A.** made so that water cannot get through
- ○ **B.** light and small enough to fit through narrow passes
- ○ **C.** painted with bright colors and words
- ○ **D.** able to float on top of water

Q12 RI.5.4

The wagon's canvas cover reminded people of a ship's sails. So they **nicknamed** the wagon a prairie schooner.

What does **nicknamed** mean here?

- **A.** to turn a wagon into a boat to cross a river
- **B.** to call someone by his or her real full name
- **C.** to sail a ship across the ocean
- **D.** to give someone or something an extra, informal name

Q13 RI.5.4

Pioneers nicknamed their wagons prairie schooners. Some wagon covers had names or **slogans** such as "Oregon or Bust" painted on the side.

What does **slogans** mean here?

- **A.** names of ships that have sails
- **B.** secret codes shared only by friends
- **C.** long speeches given to a large crowd
- **D.** short, memorable sayings used to share an idea or goal

Q14 RI.5.4

Most pioneers used oxen to pull their wagons. At the end of the journey, oxen could be used to **plow** fields.

What does **plow** mean here?

- **A.** to pick ripe fruit from tall trees
- **B.** to pull a heavy wagon down a trail
- **C.** to dig up and turn over soil so it is ready for planting
- **D.** to pull weeds out of a garden by hand

Q15 RI.5.4

Families often packed too much and had to lighten their loads. Without oxen, pioneers would have to carry their **belongings**!

What does **belongings** mean here?

- **A.** the jobs a person does at home
- **B.** the things that a person owns
- **C.** the animals that pull a heavy wagon
- **D.** the things that a person borrows from a friend

Q16 RI.5.4

Families often packed too much. They had to lighten their loads so the oxen wouldn't get **worn out** with too much weight.

What does **worn out** mean here?

- **A.** carrying a heavy load along a trail
- **B.** so tired that there is no energy left
- **C.** feeling angry at a friend
- **D.** slightly sleepy after a big meal

Q17 RI.5.4

Pioneers believed a large group would keep them safe. There would also be many skills in a group that might come in **handy** on the journey.

What does **handy** mean here?

- **A.** helpful and easy to use when there is a need
- **B.** safe because of traveling in a large group
- **C.** expensive and hard to find
- **D.** light enough to carry in a pocket

Q18 RI.5.4

Independence Rock represented the halfway point on the trail. It was **significant** because people needed to reach it by July 4 or risk getting caught in mountain storms.

What does **significant** mean here?

- **A.** very tall and shaped like a whale
- **B.** very cold and windy
- **C.** important because it has a special meaning or effect
- **D.** famous only in one small town

Q19 RI.5.4

River crossings were always risky. If the river was shallow enough, pioneers could **wade** across the currents and rocks with their oxen.

What does **wade** mean here?

- **A.** to walk through water that is not very deep
- **B.** to build a raft by tying logs together
- **C.** to swim across deep water using your arms
- **D.** to climb up a steep, rocky hill

Q20 RI.5.4

Crossing rivers was dangerous for the pioneers. They had to wade across the **currents** and rocks with their oxen.

What does **currents** mean here?

- **A.** the bridges that cross a wide river
- **B.** the rocks at the bottom of a river
- **C.** the small waves made when wind blows over a pond
- **D.** the strong, steady flows of water moving in one direction

Q21 RI.5.4

At large rivers, former traders and Native Americans ran **toll** bridges and ferries. Families could pay to have their belongings floated across.

What does **toll** mean here?

- **A.** a gift given to thank a guide
- **B.** the money that you pay to rent a room for the night
- **C.** the money that you pay to use a road, bridge, or ferry
- **D.** a boat that carries wagons across a river

Q22 RI.5.4

At mid-afternoon the wagon train set out again. Scouts went ahead to find a **pasture** for the oxen and a large flat area for the wagons.

What does **pasture** mean here?

- **A.** a deep valley between two mountains
- **B.** a field where farmers grow wheat and corn
- **C.** a flat area where wagons stop for the night
- **D.** a grassy field where farm animals can eat

Q23 RI.5.4

When the wagons arrived, they were set up in a circle. The circle made a **corral** to keep the oxen inside.

What does **corral** mean here?

- **A.** a fenced area for keeping horses or cattle together
- **B.** a barn where hay is stored for the winter
- **C.** a circle of tents around a campfire
- **D.** a road that leads to the next town

Q24 RI.5.4

Each evening the wagons were set up in a circle. The circle kept the oxen inside to **graze**.

What does **graze** mean here?

- **A.** to sleep standing up
- **B.** to eat grass growing in a field
- **C.** to drink water from a stream
- **D.** to pull a heavy wagon all day

Q25 RI.5.4

A **typical** pioneer diet consisted of bacon, ham, rice, dried fruit, bread, coffee, and tea. They also ate wild game like antelope, rabbits, and birds.

What does **typical** mean here?

- **A.** very healthy and fresh
- **B.** liked by almost everyone
- **C.** usual for a certain kind of person, place, or thing
- **D.** made of many kinds of food

Q26 RI.5.4

Cooking was usually done in the evening on the trail. A typical diet **consisted** of bacon, ham, rice, dried fruit, bread, coffee, and tea.

What does **consisted** mean here?

- **A.** to be sold at a high price
- **B.** to be eaten for breakfast and lunch
- **C.** to be chosen from a long list
- **D.** to be made up of certain parts or things

Q27 RI.5.4

Everyone on the trail ate a hard bread called hardtack. Hardtack didn't **spoil** on the long trip because it had no butter or lard.

What does **spoil** mean here?

- **A.** to get soft after being dipped in a hot drink
- **B.** to go bad so that it is no longer safe to eat
- **C.** to be shared among many people
- **D.** to become cold after sitting out too long

Q28 RI.5.4

Finding fresh water on the trail was not easy. Pioneers **had no choice but to** drink from creeks and rivers just like their cattle.

What does **had no choice but to** mean here?

- ○ **A.** to decide to do something because it seemed like fun
- ○ **B.** to collect rainwater in barrels on wagons
- ○ **C.** to be forced to do something because nothing else was possible
- ○ **D.** to forget to do something important

Q29 RI.5.4

Finding fresh water on the trail was not easy. One woman wrote of sucking on a rag **soaked** in vinegar when there was no water.

What does **soaked** mean here?

- ○ **A.** completely wet from being covered in a liquid
- ○ **B.** very thirsty after a long walk
- ○ **C.** torn into small pieces
- ○ **D.** slightly damp from a light mist

Q30 RI.5.4

The pioneers faced many dangers on the trail. In spite of all of these hardships, the pioneers **managed** to make the journey and settle new towns throughout the West.

What does **managed** mean here?

- ○ **A.** to plan to do something someday
- ○ **B.** to build new towns throughout the West
- ○ **C.** to be able to do something hard in the end
- ○ **D.** to ask someone else to do a job

Heading Into the West

The Wild West was a time of cowboys, pioneers, and **(1)** _____ who robbed banks and stagecoaches. At first, the edge of the American **(2)** _____ was the Mississippi River, but it kept moving as thousands of people traveled **(3)** _____. After the Louisiana Purchase, Lewis and Clark explored the new land and kept **(4)** _____ journals about the plants and animals they found. Later, mountain men **(5)** _____ beaver and other small animals for their fur. They used their **(6)** _____ of the land to lead soldiers and explorers, and their trails and trading **(7)** _____ helped guide the pioneers. Newspaper **(8)** _____ made the West sound wonderful, but they said little about the daily **(9)** _____ of life out there. Some families went west for gold or farmland, while others went for **(10)** _____ reasons. They traveled in small wagons with **(11)** _____ canvas covers. People **(12)** _____ these wagons prairie schooners, and some painted **(13)** _____ such as 'Oregon or Bust' on the side. Oxen pulled the wagons, and at the end of the journey the same oxen could **(14)** _____ new fields. When the loads grew too heavy, families dropped furniture and other **(15)** _____ beside the trail.

WORD BANK **spoil · worn out · consisted · handy · typical · soaked · managed · corral · had no choice but to · currents · wade · significant · graze · pasture · toll**

Life on the Trail

Families made their wagons lighter so the oxen would not get **(1)** _____ from pulling too much weight. In Independence, Missouri, pioneers formed wagon trains, because the many skills in a big group might come in **(2)** _____. Reaching Independence Rock by July 4 was **(3)** _____,

since travelers who arrived late could be caught in mountain storms. At shallow rivers, pioneers could **(4)** _____ across with their oxen, but strong **(5)** _____ made every crossing risky. At large rivers, they could pay a **(6)** _____ to use a bridge or a ferry. Each afternoon, scouts rode ahead to find a **(7)** _____ with plenty of grass for the oxen. At night, the wagons formed a circle that worked as a **(8)** _____, so the oxen could **(9)** _____ safely inside. A **(10)** _____ meal on the trail was simple. Most suppers **(11)** _____ of bacon, rice, bread, and coffee. Pioneers also carried hardtack, a hard bread that did not **(12)** _____ on the long trip. Clean water was hard to find, so many travelers **(13)** _____ drink from muddy creeks. One woman even sucked on a rag **(14)** _____ in vinegar. Through every danger, the pioneers **(15)** _____ to reach the West and build new towns.

Q1 L.5.5

decades

- ○ **A.** a written deal that says what work must be done and for how much
- ○ **B.** strong statements that show you disagree with something
- ○ **C.** periods of one hundred years
- ○ **D.** periods of time that are ten years long each

Q2 L.5.5

transcontinental

- ○ **A.** going around the edge of a continent along the coast
- ○ **B.** going all the way across a continent from one side to the other
- ○ **C.** having to do with the sky or the heavens
- ○ **D.** able to burst apart with great force and noise

Q3 L.5.5

link

- ○ **A.** to make the ground flat and even
- ○ **B.** to join two places or things together
- ○ **C.** to place two things side by side without touching
- ○ **D.** to take the time and trouble to do something

Q4 L.5.5

span

- A. to hurt or upset someone again and again on purpose
- B. to reach only halfway into something
- C. to shout rude, mocking words at someone
- D. to reach from one end of something to the other end

Q5 L.5.5

celestial

- A. having to do with the sky or the heavens
- B. slightly salty and not good for drinking
- C. not included or given any credit
- D. having to do with the weather and the clouds

Q6 L.5.5

bothered

- A. to be told to do something by a boss
- B. to get stuck so that moving forward becomes slow or impossible
- C. to send a message far away using electric signals through wires
- D. to take the time and trouble to do something

Q7 L.5.5

strike it rich

- A. to become wealthy very quickly, often by luck
- B. to reach from one end of something to the other end
- C. to give people jobs and pay them for their work
- D. to earn a small amount of money after years of work

Q8 L.5.5

tycoons

- A. managers who run one small shop
- B. periods of time that are ten years long each
- C. business owners who have great wealth and power
- D. a plan or goal that someone means to carry out

Q9 L.5.5

bogged down

- **A.** to stop for a short rest on purpose
- **B.** to get stuck so that moving forward becomes slow or impossible
- **C.** to move forward slowly, a little bit at a time
- **D.** to come down with an illness

Q10 L.5.5

contract

- **A.** a written deal that says what work must be done and for how much
- **B.** business owners who have great wealth and power
- **C.** words that show you are unhappy or annoyed about something
- **D.** a friendly promise that is not written down

Q11 L.5.5

protests

- **A.** a deep, narrow opening between rocky walls, often with a river
- **B.** strong statements that show you disagree with something
- **C.** polite questions asked to learn more about something
- **D.** the giving up of something valuable for a goal or for others

Q12 L.5.5

jeered

- **A.** to whisper unkind words behind someone's back
- **B.** to pull something quickly and with force
- **C.** to break through rock using powerful explosions
- **D.** to shout rude, mocking words at someone

Q13 L.5.5

complaint

- **A.** words that ask someone for help with a problem
- **B.** words that show you are unhappy or annoyed about something
- **C.** a plan or goal that someone means to carry out
- **D.** the giving up of something valuable for a goal or for others

Q14 L.5.5

telegraphed

- A. to send a message by mail in a sealed envelope
- B. to join two places or things together
- C. to send a message far away using electric signals through wires
- D. to become wealthy very quickly, often by luck

Q15 L.5.5

yanked

- A. to come down with an illness
- B. to pull something slowly and gently
- C. to pull something quickly and with force
- D. to make the ground flat and even

Q16 L.5.5

gorge

- A. a deep, narrow opening between rocky walls, often with a river
- B. a wide, flat valley with gentle hills
- C. periods of time that are ten years long each
- D. words that show you are unhappy or annoyed about something

Q17 L.5.5

blasted

- A. to break through rock using powerful explosions
- B. to become wealthy very quickly, often by luck
- C. to break through rock by hitting it with hammers
- D. to take the time and trouble to do something

Q18 L.5.5

explosive

- A. going all the way across a continent from one side to the other
- B. enormous and very important, like something worth remembering
- C. able to catch fire if it gets too hot
- D. able to burst apart with great force and noise

Q19 L.5.5

leveled

- **A.** to pull something quickly and with force
- **B.** to shout rude, mocking words at someone
- **C.** to make the ground higher by piling up dirt
- **D.** to make the ground flat and even

Q20 L.5.5

stale

- **A.** able to burst apart with great force and noise
- **B.** old and not fresh anymore, so it tastes bad
- **C.** not included or given any credit
- **D.** cooked for too long, so it is burnt

Q21 L.5.5

brackish

- **A.** cloudy with mud but not salty
- **B.** slightly salty and not good for drinking
- **C.** enormous and very important, like something worth remembering
- **D.** having to do with the sky or the heavens

Q22 L.5.5

took sick

- **A.** to hurt or upset someone again and again on purpose
- **B.** to break through rock using powerful explosions
- **C.** to come down with an illness
- **D.** to feel a little tired after a hard day

Q23 L.5.5

tormented

- **A.** to tease someone once as a joke
- **B.** to hurt or upset someone again and again on purpose
- **C.** to reach from one end of something to the other end
- **D.** to give people jobs and pay them for their work

Q24 L.5.5

inched

- A. to join two places or things together
- B. to move forward in short, quick jumps
- C. to send a message far away using electric signals through wires
- D. to move forward slowly, a little bit at a time

Q25 L.5.5

employed

- A. to get stuck so that moving forward becomes slow or impossible
- B. to train people to do a job for free
- C. to give people jobs and pay them for their work
- D. to move forward slowly, a little bit at a time

Q26 L.5.5

left out of the picture

- A. slightly salty and not good for drinking
- B. given only a small part in something
- C. not included or given any credit
- D. old and not fresh anymore, so it tastes bad

Q27 L.5.5

monumental

- A. enormous and very important, like something worth remembering
- B. large but not very important
- C. old and not fresh anymore, so it tastes bad
- D. going all the way across a continent from one side to the other

Q28 L.5.5

sacrifice

- A. the trading of something you do not need
- B. the giving up of something valuable for a goal or for others
- C. business owners who have great wealth and power
- D. a deep, narrow opening between rocky walls, often with a river

Q29 L.5.5

permanently

- **A.** in a way that lasts forever or for a very long time
- **B.** in a way that lasts for one whole season
- **C.** in a way that is very loud
- **D.** a written deal that says what work must be done and for how much

Q30 L.5.5

intention

- **A.** business owners who have great wealth and power
- **B.** strong statements that show you disagree with something
- **C.** a plan or goal that someone means to carry out
- **D.** a wish that someone knows can never come true

4 Read & Infer

Set 3 · Story 3. The Celestials' Railroad · Part 4 of 6

CCSS RI.5.4 · L.5.4

Directions. Read each short passage. Choose the best meaning of the bold word as it is used.

Q1 RI.5.4

Pioneers began migrating to the "wild west" in the 1840s. Two **decades** later, in 1861, the U.S. government agreed to build a transcontinental railroad system.

What does **decades** mean here?

- ○ **A.** periods of time that are ten years long each
- ○ **B.** periods of one hundred years
- ○ **C.** groups of pioneers moving west together
- ○ **D.** long lines of railroad track

Q2 RI.5.4

In 1861, the U.S. government agreed to build a **transcontinental** railroad system. It would link California with the rail network of the eastern United States.

What does **transcontinental** mean here?

- ○ **A.** going around the edge of a continent along the coast
- ○ **B.** going all the way across a continent from one side to the other
- ○ **C.** very old and no longer used
- ○ **D.** built by workers from another country

Q3 RI.5.4

The new railroad would **link** California with the rail network of the eastern United States. The U.S. government agreed to build it in 1861.

What does **link** mean here?

- ○ **A.** to join two places or things together
- ○ **B.** to paint a sign for a station
- ○ **C.** to agree to pay for a big project
- ○ **D.** to place two things side by side without touching

Q4 RI.5.4

Four Chinese men carried an iron rail toward the track. It was the last link in the railroad that within moments would **span** the continent.

What does **span** mean here?

- **A.** to wait for a few moments
- **B.** to carry an iron rail toward a track
- **C.** to reach from one end of something to the other end
- **D.** to reach only halfway into something

Q5 RI.5.4

Because they called China the **Celestial** Kingdom, the Chinese workers were known as "**Celestials**." Few of their fellow railroad workers bothered to learn their names.

What does **celestial** mean here?

- **A.** having to do with the weather and the clouds
- **B.** coming from a faraway country across the ocean
- **C.** made of iron and steel
- **D.** having to do with the sky or the heavens

Q6 RI.5.4

Few of their fellow railroad workers **bothered** to learn the names of the Chinese workers. No one knows their names today.

What does **bothered** mean here?

- **A.** to hurt someone on purpose
- **B.** to work side by side with someone
- **C.** to take the time and trouble to do something
- **D.** to be told to do something by a boss

Q7 RI.5.4

Many Chinese men had come to America during the first California gold rush. When they did not **strike it rich** in the goldfields, they sought other work.

What does **strike it rich** mean here?

- **A.** to earn a small amount of money after years of work
- **B.** to lose everything in a storm
- **C.** to become wealthy very quickly, often by luck
- **D.** to find work building a railroad

Q8 RI.5.4

In 1863, Central Pacific and Union Pacific railroad **tycoons** agreed to build a coast-to-coast link. The two companies mapped the routes, raised the money, and hired the workers.

What does **tycoons** mean here?

- **A.** managers who run one small shop
- **B.** business owners who have great wealth and power
- **C.** soldiers who guard a fort
- **D.** workers who carry heavy iron rails

Q9 RI.5.4

Within a year, the Union Pacific was well into Nebraska. But the Central Pacific had **bogged down** at the edge of the Sierra Nevada mountains.

What does **bogged down** mean here?

- **A.** to borrow money from a bank
- **B.** to get stuck so that moving forward becomes slow or impossible
- **C.** to stop for a short rest on purpose
- **D.** to travel quickly across flat land

Q10 RI.5.4

The Central Pacific was stuck at the edge of the Sierra Nevada mountains. To complete his **contract**, railroad magnate Charles Crocker needed help.

What does **contract** mean here?

- **A.** a group of workers hired for a job
- **B.** a friendly promise that is not written down
- **C.** a written deal that says what work must be done and for how much
- **D.** a map of a railroad route

Q11 RI.5.4

Charles Crocker needed more workers for the railroad. Over the **protests** of his workers, Crocker turned to the Chinese.

What does **protests** mean here?

- **A.** plans to hire new workers
- **B.** polite questions asked to learn more about something
- **C.** strong statements that show you disagree with something
- **D.** loud cheers at a celebration

Q12 RI.5.4

In February 1865, 50 Chinese men arrived at the rail's end. While other workers **jeered** and threatened to strike, the Chinese calmly set up camp and went to sleep.

What does **jeered** mean here?

- ○ **A.** to shout rude, mocking words at someone
- ○ **B.** to clap for a great performance
- ○ **C.** to set up camp and go to sleep
- ○ **D.** to whisper unkind words behind someone's back

Q13 RI.5.4

The Chinese workers were up at dawn, with picks and shovels in hand. They worked 12 hours straight without **complaint**.

What does **complaint** mean here?

- ○ **A.** words that ask someone for help with a problem
- ○ **B.** the short rests in the middle of the day
- ○ **C.** the tools that workers carry, like picks and shovels
- ○ **D.** words that show you are unhappy or annoyed about something

Q14 RI.5.4

The Chinese worked 12 hours straight on their first day. By sundown, Crocker had **telegraphed** his office in Sacramento: "Send more Chinese."

What does **telegraphed** mean here?

- ○ **A.** to send a message far away using electric signals through wires
- ○ **B.** to send a message by mail in a sealed envelope
- ○ **C.** to hire more workers for a job
- ○ **D.** to draw a map of a route

Q15 RI.5.4

The Chinese workers hung from ropes over the edges of cliffs. After inserting dynamite, they were **yanked** upward.

What does **yanked** mean here?

- ○ **A.** to pull something slowly and gently
- ○ **B.** to pull something quickly and with force
- ○ **C.** to tie two ropes together
- ○ **D.** to tap holes into the side of a mountain

Q16 RI.5.4

The Chinese hung from ropes over the edges of cliffs and set dynamite. If they were lucky, they cleared the explosion; if not, they fell into the **gorge** below.

What does **gorge** mean here?

- **A.** a wide, flat valley with gentle hills
- **B.** a pile of dirt in a wheelbarrow
- **C.** a hole tapped into the side of a mountain
- **D.** a deep, narrow opening between rocky walls, often with a river

Q17 RI.5.4

Chinese workers **blasted** tunnels with nitroglycerin. They did this when other workers would not touch the dangerous liquid.

What does **blasted** mean here?

- **A.** to break through rock using powerful explosions
- **B.** to carry dirt in wheelbarrows
- **C.** to paint the walls of a tunnel
- **D.** to break through rock by hitting it with hammers

Q18 RI.5.4

Chinese workers made tunnels with nitroglycerin. They did this when other workers would not touch the **explosive** liquid.

What does **explosive** mean here?

- **A.** easy to bend and fold
- **B.** used to dig tunnels through mountains
- **C.** able to catch fire if it gets too hot
- **D.** able to burst apart with great force and noise

Q19 RI.5.4

The Chinese carried dirt in wheelbarrows and filled huge gorges with it. Then they **leveled** it and laid railroad ties evenly across it.

What does **leveled** mean here?

- **A.** to plant trees on a hillside
- **B.** to make the ground flat and even
- **C.** to make the ground higher by piling up dirt
- **D.** to lay iron rails across wooden ties

Q20 RI.5.4

Most other workers ate **stale** meat and drank bad water. The Chinese paid for their own food, so they chose rice, vegetables, and tea.

What does **stale** mean here?

- **A.** bought with a worker's own money
- **B.** very spicy and hot
- **C.** old and not fresh anymore, so it tastes bad
- **D.** cooked for too long, so it is burnt

Q21 RI.5.4

Most other workers ate old meat and drank **brackish** water. Because the Chinese paid for their own food, they were allowed to choose their food.

What does **brackish** mean here?

- **A.** paid for by the railroad company
- **B.** slightly salty and not good for drinking
- **C.** cloudy with mud but not salty
- **D.** boiling hot

Q22 RI.5.4

Crossing Donner Summit at 7,000 feet, many other workers **took sick** or quit. But the Chinese kept going.

What does **took sick** mean here?

- **A.** to feel a little tired after a hard day
- **B.** to climb to the top of a mountain
- **C.** to come down with an illness
- **D.** to quit a job and go home

Q23 RI.5.4

Mobs of white workers **tormented** the Chinese at every camp along the way. Still, the Central Pacific kept moving toward Utah.

What does **tormented** mean here?

- **A.** to cook food for a large group
- **B.** to follow someone from place to place
- **C.** to tease someone once as a joke
- **D.** to hurt or upset someone again and again on purpose

Q24 RI.5.4

Across Nevada and into Utah, the Central Pacific **inched** toward the Union Pacific. On April 27, 1869, the crews laid 10 miles of track in a single day.

What does **inched** mean here?

- **A.** to move forward in short, quick jumps
- **B.** to move forward slowly, a little bit at a time
- **C.** to lay ten miles of track in one day
- **D.** to turn around and go home

Q25 RI.5.4

The two railroads met at Promontory, Utah. By that time, the Central Pacific **employed** 12,000 Chinese workers.

What does **employed** mean here?

- **A.** to give people jobs and pay them for their work
- **B.** to watch golden spikes being driven in
- **C.** to buy new tools for a farm
- **D.** to train people to do a job for free

Q26 RI.5.4

The Chinese workers watched as railroad tycoons drove in their golden spikes. But when the cameras recorded the event, the Chinese workers were **left out of the picture**.

What does **left out of the picture** mean here?

- **A.** photographed at a big celebration
- **B.** not included or given any credit
- **C.** tired after a long day of work
- **D.** given only a small part in something

Q27 RI.5.4

On May 10, 1869, the word "Done!" was telegraphed across the continent. Finished with their **monumental** task, the Chinese rode back across the track they had laid.

What does **monumental** mean here?

- **A.** made of gold
- **B.** finished and ready to ride on
- **C.** enormous and very important, like something worth remembering
- **D.** large but not very important

Q28 RI.5.4

Some Chinese workers went back to Chinatowns, and others went to Canada or mining towns. Their labor and **sacrifice** had connected the east and west coasts of the growing nation.

What does **sacrifice** mean here?

- ○ **A.** the giving up of something valuable for a goal or for others
- ○ **B.** the trading of something you do not need
- ○ **C.** the winning of a prize
- ○ **D.** the joining of two coasts by railroad

Q29 RI.5.4

Most immigrant groups came to the West to stay. The Chinese were one of the few immigrant groups that did not come to settle **permanently**.

What does **permanently** mean here?

- ○ **A.** in a way that is very loud
- ○ **B.** in a way that is far from one's family
- ○ **C.** in a way that lasts for one whole season
- ○ **D.** in a way that lasts forever or for a very long time

Q30 RI.5.4

Most of the Chinese were men who had left their families behind in China. Their **intention** was to work hard, save their money, and return to their homeland.

What does **intention** mean here?

- ○ **A.** a family left behind in another country
- ○ **B.** a plan or goal that someone means to carry out
- ○ **C.** a reward given for hard work
- ○ **D.** a wish that someone knows can never come true

WORD LIST

homestead · fertile · hinder · prosper · domain · residence · primary · ideology

Q1 L.5.5

homestead

- ○ **A.** a set of ideas and beliefs that guide how a person or group thinks
- ○ **B.** a piece of land in the West that a settler claimed, lived on, and farmed
- ○ **C.** a piece of land that the government kept for a national park
- ○ **D.** a home or building where people live

Q2 L.5.5

fertile

- ○ **A.** flat and easy to walk across
- ○ **B.** able to grow lots of healthy crops and plants
- ○ **C.** most important of all, or coming first in rank
- ○ **D.** noisy and crowded with people

Q3 L.5.5

hinder

- ○ **A.** to do well and become successful, often by earning more money
- ○ **B.** to plant seeds in neat rows
- ○ **C.** to get in the way of something and make it harder to do
- ○ **D.** to stop something completely so it never happens

Q4 L.5.5

prosper

- ○ **A.** to get in the way of something and make it harder to do
- ○ **B.** to work very hard every single day
- ○ **C.** to do well and become successful, often by earning more money
- ○ **D.** to sleep late on the weekend

Q5 L.5.5

domain

- **A.** the land or area that a person owns and is in charge of
- **B.** the land that a person rents from someone else
- **C.** a set of ideas and beliefs that guide how a person or group thinks
- **D.** a home or building where people live

Q6 L.5.5

residence

- **A.** a building where people go to work every day
- **B.** a piece of land in the West that a settler claimed, lived on, and farmed
- **C.** the land or area that a person owns and is in charge of
- **D.** a home or building where people live

Q7 L.5.5

primary

- **A.** most important of all, or coming first in rank
- **B.** oldest of all, or coming first in time
- **C.** able to grow lots of healthy crops and plants
- **D.** wet and muddy after rain

Q8 L.5.5

ideology

- **A.** a set of ideas and beliefs that guide how a person or group thinks
- **B.** the land or area that a person owns and is in charge of
- **C.** a piece of land in the West that a settler claimed, lived on, and farmed
- **D.** a set of rules written down as laws

Directions. Items 1-3: choose the SYNONYM (same meaning). Items 4-6: choose the ANTONYM (opposite). Items 7-8: choose the example that FITS the word.

Q1 L.5.5

SAME Choose the synonym of **prosper**:

◯ **A.** wander ◯ **B.** thrive ◯ **C.** shrink ◯ **D.** worry

Q2 L.5.5

SAME Choose the synonym of **residence**:

◯ **A.** garden ◯ **B.** vehicle ◯ **C.** dwelling ◯ **D.** workplace

Q3 L.5.5

SAME Choose the synonym of **ideology**:

◯ **A.** weather ◯ **B.** schedule ◯ **C.** philosophy ◯ **D.** argument

Q4 L.5.5

OPPOSITE Choose the antonym of **fertile**:

◯ **A.** productive ◯ **B.** rich ◯ **C.** fruitful ◯ **D.** barren

Q5 L.5.5

OPPOSITE Choose the antonym of **hinder**:

◯ **A.** obstruct ◯ **B.** block ◯ **C.** slow down ◯ **D.** assist

Q6 L.5.5

OPPOSITE Choose the antonym of **primary**:

◯ **A.** minor ◯ **B.** leading ◯ **C.** main ◯ **D.** chief

Q7 L.5.5

GOES WITH Choose the example that fits **homestead**:

◯ **A.** a bench in a city park ◯ **B.** a pioneer family's prairie farm ◯ **C.** a ship sailing across an ocean ◯ **D.** a hotel room in a big city

Q8 L.5.5

GOES WITH Choose the example that fits **domain**:

- ◯ **A.** a rancher's own land and herds
- ◯ **B.** a cloud drifting overhead
- ◯ **C.** a stranger's lost umbrella
- ◯ **D.** a borrowed library book

4 Read & Infer

Set 4 · Story 4. Homesteading · Part 4 of 6

CCSS RI.5.4 · L.5.4

Directions. Read each short passage. Choose the best meaning of the bold word as it is used.

Q1 RI.5.4

Congress passed a law letting anyone claim 160 acres in the West. A family could settle there and make it a **homestead**.

What does **homestead** mean here?

- ○ **A.** a tall tree used for building boats
- ○ **B.** a piece of land that the government kept for a national park
- ○ **C.** a railroad that carried people to the West
- ○ **D.** a piece of land in the West that a settler claimed, lived on, and farmed

Q2 RI.5.4

The narrator says the treeless land looked worthless at first. But it was actually very **fertile**.

What does **fertile** mean here?

- ○ **A.** empty, with no trees on it at all
- ○ **B.** noisy and crowded with people
- ○ **C.** able to grow lots of healthy crops and plants
- ○ **D.** flat and easy to walk across

Q3 RI.5.4

J.G. Towle wrote a letter about the new land. He said it had nothing on it to **hinder** farming.

What does **hinder** mean here?

- ○ **A.** to plant seeds in neat rows
- ○ **B.** to describe land in a letter home
- ○ **C.** to get in the way of something and make it harder to do
- ○ **D.** to stop something completely so it never happens

Q4 RI.5.4

The land was free or very low in cost. It was good land where homesteaders could build new lives and **prosper**.

What does **prosper** mean here?

- **A.** to work very hard every single day
- **B.** to sleep late on the weekend
- **C.** to claim 160 acres of free land
- **D.** to do well and become successful, often by earning more money

Q5 RI.5.4

Each homesteader could claim 160 acres of land. That land became the settler's own **domain** to farm and control.

What does **domain** mean here?

- **A.** a kind of seed planted in spring
- **B.** the long trip from the East to the West
- **C.** the land or area that a person owns and is in charge of
- **D.** the land that a person rents from someone else

Q6 RI.5.4

A homestead had to be claimed, lived on, and settled. Pioneers built a **residence** and made their lives on the land.

What does **residence** mean here?

- **A.** a piece of land claimed for farming
- **B.** a home or building where people live
- **C.** a building where people go to work every day
- **D.** a song about life on the prairie

Q7 RI.5.4

People had several reasons to move west. Owning their own land was a **primary** reason to become a homesteader.

What does **primary** mean here?

- **A.** free or very low in cost
- **B.** oldest of all, or coming first in time
- **C.** wet and muddy after rain
- **D.** most important of all, or coming first in rank

Q8 RI.5.4

President Lincoln believed that owning land was important for everyone. That belief was part of his **ideology**.

What does **ideology** mean here?

- ○ **A.** a set of ideas and beliefs that guide how a person or group thinks
- ○ **B.** a map of the western states
- ○ **C.** a set of rules written down as laws
- ○ **D.** a law passed by Congress about land

4 Read & Infer

Set 5 · Story 5. A Pioneer Sampler · Part 4 of 6

CCSS RI.5.4 · L.5.4

Directions. Read each short passage. Choose the best meaning of the bold word as it is used.

Q1 RI.5.4

The Robertsons are a pioneer family. The Robertsons, like real settlers, live by this **motto**.

What does **motto** mean here?

- **A.** a short saying that states a belief or rule to live by
- **B.** a list of chores
- **C.** a kind of farm tool
- **D.** a long story about the past

Q2 RI.5.4

The Robertson children learn important lessons early. They learn that 'many hands make light work' and that it's best to '**make hay while the sun shines**.'

What does **make hay while the sun shines** mean here?

- **A.** to wait for a better day
- **B.** to use a good chance before it goes away
- **C.** to sit in the sun
- **D.** to grow tall grass

Q3 RI.5.4

The Robertsons work hard every day. But life isn't all chores and **making do**.

What does **making do** mean here?

- **A.** buying everything you want
- **B.** building a new barn
- **C.** managing with what you have, even if it is not enough
- **D.** telling a story

Q4 RI.5.4

Pioneer life had fun times, too. Maple-sugar **frolics** and harvest suppers, husking bees and barn dances brighten the days as the seasons pass.

What does **frolics** mean here?

- **A.** long, quiet naps
- **B.** heavy farm tools
- **C.** dark storm clouds
- **D.** lively, happy parties or playful fun

Q5 RI.5.4

Willy carries two water buckets on a yoke. It's a lot easier than **lugging** a bucket by hand.

What does **lugging** mean here?

- **A.** to fill a bucket
- **B.** to toss something light into the air
- **C.** to sharpen a blade
- **D.** to carry or drag something heavy with effort

Q6 RI.5.4

Willy did not like carrying water. 'Stupid buckets,' Willy **grumbled** to himself as he trudged off.

What does **grumbled** mean here?

- **A.** to sing a happy song
- **B.** to complain in a low, unhappy voice
- **C.** to whistle for a dog
- **D.** to shout for help

Q7 RI.5.4

Willy did not like carrying water. 'Stupid buckets,' Willy grumbled to himself as he **trudged** off.

What does **trudged** mean here?

- **A.** to walk slowly and heavily because you are tired
- **B.** to ride a horse
- **C.** to run a race
- **D.** to skip along happily

Q8 RI.5.4

Willy carried water to the workers in the hayfield. The **stubble** of cut grass prickled Willy's bare feet as he crossed the field.

What does **stubble** mean here?

- **A.** the tall, soft grass before it is cut
- **B.** the roots under the ground
- **C.** the seeds of a plant
- **D.** the short, stiff stalks left after a crop is cut

Q9 RI.5.4

Willy reached the workers in the field. He lowered the buckets carefully to the uneven ground, **shrugged off** the yoke, and handed around the gourds.

What does **shrugged off** mean here?

- **A.** to pick something up
- **B.** to take something off by moving your shoulders
- **C.** to throw something far
- **D.** to tie something on tightly

Q10 RI.5.4

Pa said he could not spare George from the cutting. George **smirked**, licked a finger, and flicked it across the sharp edge of the sickle as though to say, I'm indispensable.

What does **smirked** mean here?

- **A.** to sneeze loudly
- **B.** to frown sadly
- **C.** to smile in a proud, unkind way
- **D.** to yawn sleepily

Q11 RI.5.4

Pa said he could not spare George from the cutting. George smirked, licked a finger, and flicked it across the sharp edge of the sickle as though to say, I'm **indispensable**.

What does **indispensable** mean here?

- **A.** so important that you cannot do without it
- **B.** nice to have but not needed
- **C.** very sharp
- **D.** very heavy

Q12 RI.5.4

Pitching hay onto the sledge was hard for Willy. **More often than not** his stalks slithered off.

What does **more often than not** mean here?

- **A.** usually; most of the time
- **B.** very quickly
- **C.** only once in a while
- **D.** without a sound

Q13 RI.5.4

Willy watched the clouds change shape. A bear and her cub **lumbered** across the sky, a dainty pony skipped by, then fat fish blowing bubbles.

What does **lumbered** mean here?

- **A.** to fly gracefully
- **B.** to shine brightly
- **C.** to blow away
- **D.** to move slowly and heavily, in a clumsy way

Q14 RI.5.4

Willy watched the clouds change shape. A bear and her cub lumbered across the sky, a **dainty** pony skipped by, then fat fish blowing bubbles.

What does **dainty** mean here?

- **A.** very old
- **B.** very fast
- **C.** loud and wild
- **D.** small, delicate, and pretty

Q15 RI.5.4

A storm was coming fast. 'We've got to get this load **under cover**.'

What does **under cover** mean here?

- **A.** under a roof or shelter, protected from weather
- **B.** far down the road
- **C.** in the bright sun
- **D.** on top of a hill

Q16 RI.5.4

Willy had to drive the oxen to the barn. 'Heyup,' Willy shouted, and the oxen started a steady **plod**.

What does **plod** mean here?

- **A.** a sharp tool
- **B.** a quick, light run
- **C.** a slow, heavy walk
- **D.** a loud shout

Q17 RI.5.4

The storm was getting closer. As the sky grew darker, he **prodded** the animals with the goad.

What does **prodded** mean here?

- **A.** to pet something gently
- **B.** to poke someone or something to make it move
- **C.** to call something by name
- **D.** to feed something

Q18 RI.5.4

Oxen can be hard to move. 'Never was such a **stubborn** beast as an ox,' his father always said.

What does **stubborn** mean here?

- **A.** very strong
- **B.** very shy and quiet
- **C.** not willing to change your mind or do what others want
- **D.** very slow

Q19 RI.5.4

The workers built up the haystack. They swung their arms in rhythm, **oblivious** to everything but the orderly layering of the haystack.

What does **oblivious** mean here?

- **A.** very hungry
- **B.** not aware of what is happening around you
- **C.** very tired
- **D.** very angry

Q20 RI.5.4

The workers built up the haystack. They swung their arms in rhythm, oblivious to everything but the **orderly** layering of the haystack.

What does **orderly** mean here?

- **A.** very tall
- **B.** very wet
- **C.** neat and arranged in a careful way
- **D.** loud and lively

Q21 RI.5.4

The rain was about to fall. Pa and George **wrenched** open the big barn doors, and, just as the clouds burst, the sledge skidded under cover.

What does **wrenched** mean here?

- **A.** to pull something hard with a twisting movement
- **B.** to sweep something
- **C.** to paint something
- **D.** to close something softly

Q22 RI.5.4

Willy kept thinking about his race to the barn. He pictured his mad dash over and over until it grew into a story of heroic **proportions**.

What does **proportions** mean here?

- **A.** the price of something
- **B.** the size or importance of something
- **C.** the color of something
- **D.** the smell of something

Q23 RI.5.4

Uncle Jacob Burkholder came over to show Pa how to thatch a roof for the haystack. Willy **regaled** him with the whole tale.

What does **regaled** mean here?

- **A.** to scold someone for a mistake
- **B.** to feed the animals
- **C.** to build a roof
- **D.** to entertain someone with stories

Q24 RI.5.4

Uncle Jacob listened to Willy's story. 'Well now, that's quite a **feat**—moving cattle beasts along like that.'

What does **feat** mean here?

- **A.** a part of a barn
- **B.** a small mistake
- **C.** a type of food
- **D.** an act that takes great skill, strength, or courage

Q25 RI.5.4

Uncle Jacob finished his own story. 'That man never was any good at reading the weather,' Uncle Jacob ended **scornfully**.

What does **scornfully** mean here?

- **A.** in a proud, happy way
- **B.** in a quiet way
- **C.** in a way that shows you think someone is foolish or worthless
- **D.** in a sleepy way

Q26 RI.5.4

Early settlers were delighted to find beaver meadows on their farms. The meadows provided instant **fodder** for oxen and cows.

What does **fodder** mean here?

- **A.** tools used on a farm
- **B.** food cooked for people
- **C.** food, such as hay, for cows, horses, and other farm animals
- **D.** roofs made of straw

Q27 RI.5.4

Cut wheat was tied into bundles called sheaves. Ten sheaves **propped up** against one another formed a stook.

What does **propped up** mean here?

- **A.** to hold something in place by leaning it against something else
- **B.** to cut something down
- **C.** to lay something flat on the ground
- **D.** to tie something up

Q28 RI.5.4

Wheat was a valuable crop. Mr. Robertson and the hired help packed it carefully into the barn to keep it safe and dry until they had time to **thresh** it.

What does **thresh** mean here?

- **A.** to plant seeds in rows
- **B.** to separate grain from the stalks of a plant
- **C.** to build a barn
- **D.** to cut grass

Q29 RI.5.4

The moon changes through the year. In September, the full moon seems to **linger** in the sky for several nights in a row.

What does **linger** mean here?

- **A.** to stay somewhere longer than usual
- **B.** to grow bigger
- **C.** to shine brightly
- **D.** to leave right away

Q30 RI.5.4

Pioneers watched the sky for weather signs. Smoke curling downward and **overcast** cirrus clouds mean wet weather's coming.

What does **overcast** mean here?

- **A.** very warm
- **B.** very bright
- **C.** covered with clouds; gray and dark
- **D.** windy and cold
